A man in a dark suit, white shirt, and dark tie stands in the center of the frame. Behind him is a large, white, muscular silhouette of a man, similar to the Hulk. The background is dark. The text is overlaid in white, centered on the image.

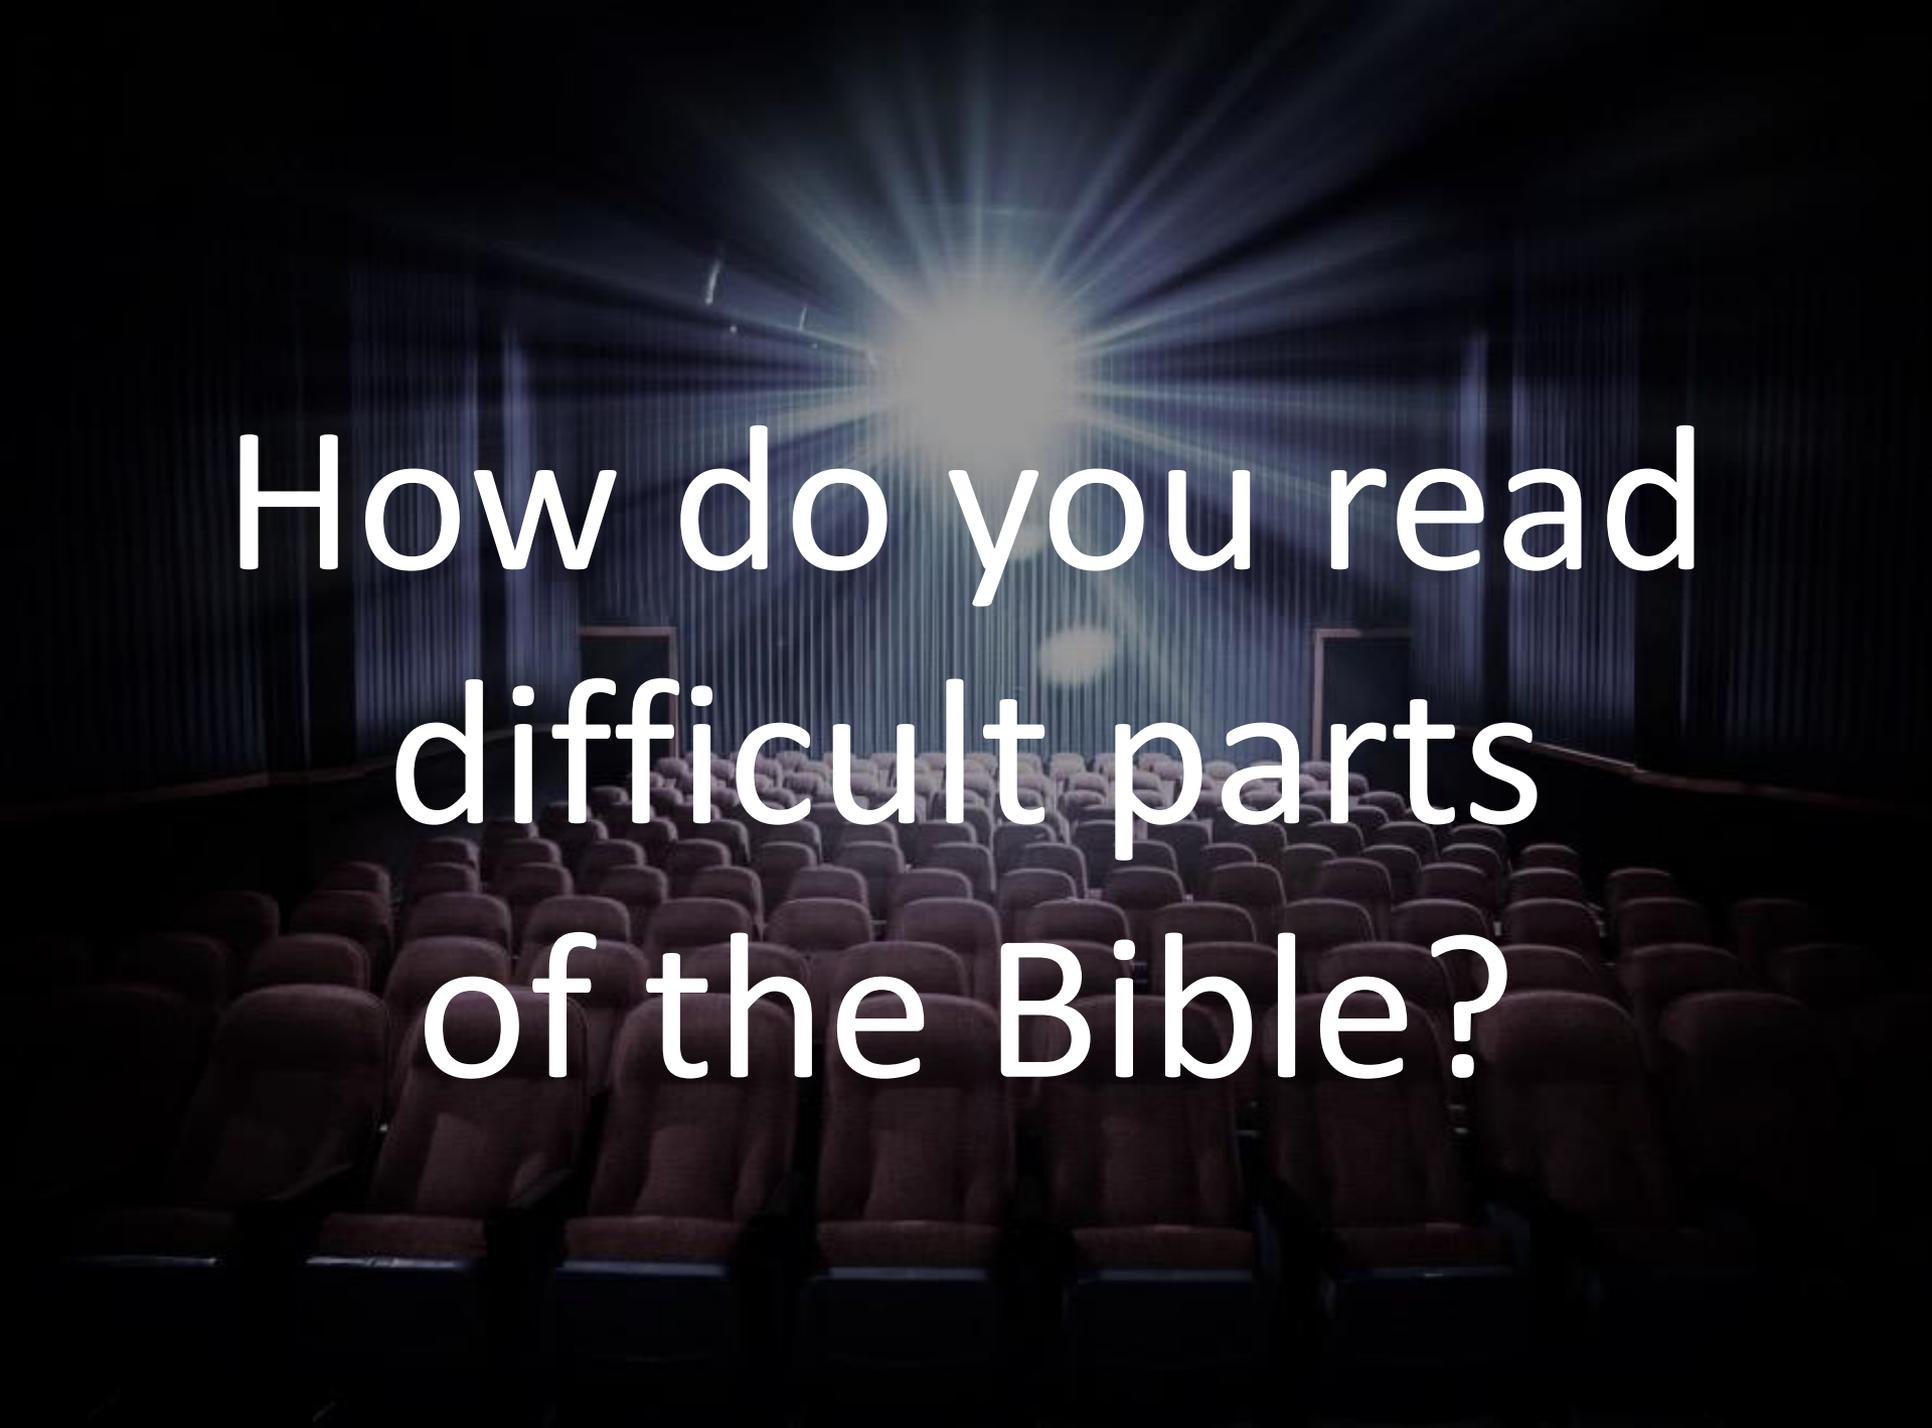

The enemy was not an alien force  
from the outside,  
but a force from the inside—  
called sin.

Now the earth was corrupt in God's sight and was full of violence. God saw how corrupt the earth had become, for all the people on earth

had corrupted their ways. So God said to Noah, "I am going to put an end to all people, for the earth is filled with violence because of them.

I am surely going to destroy both them and the earth. So make yourself an ark of cypress wood; make rooms in it and coat it with pitch inside and out...

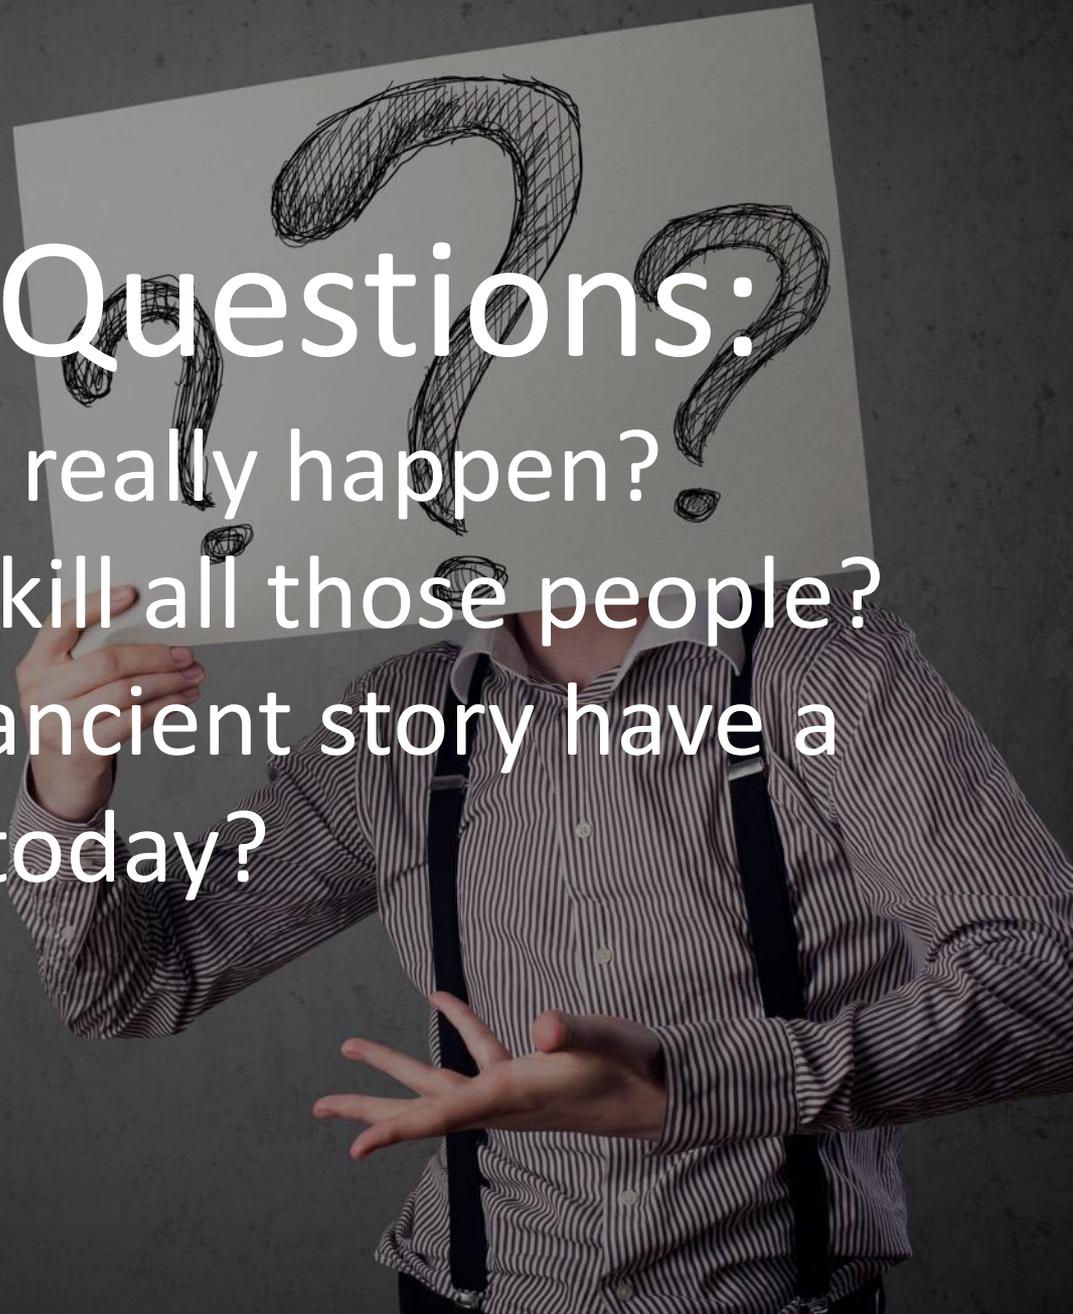

Noah did everything just as God commanded him.

A dark theater with rows of seats and a bright light source at the front, creating a dramatic atmosphere.

How do you read  
difficult parts  
of the Bible?

# 3 Difficult Questions:

- Did Noah's Ark really happen?
- Did God really kill all those people?
- And does this ancient story have a message for me today?

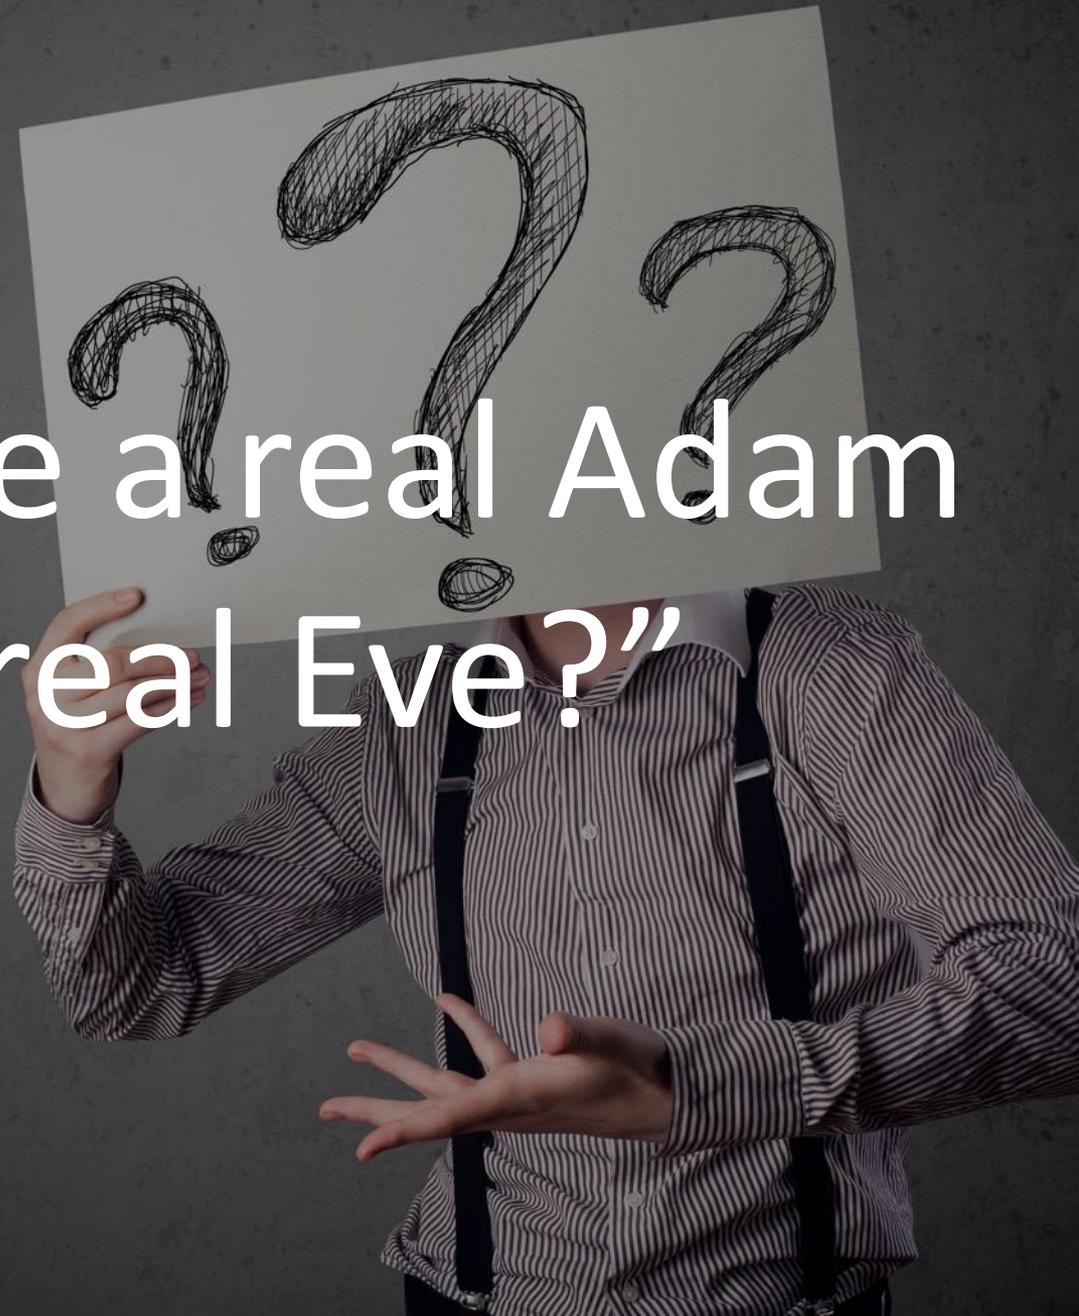

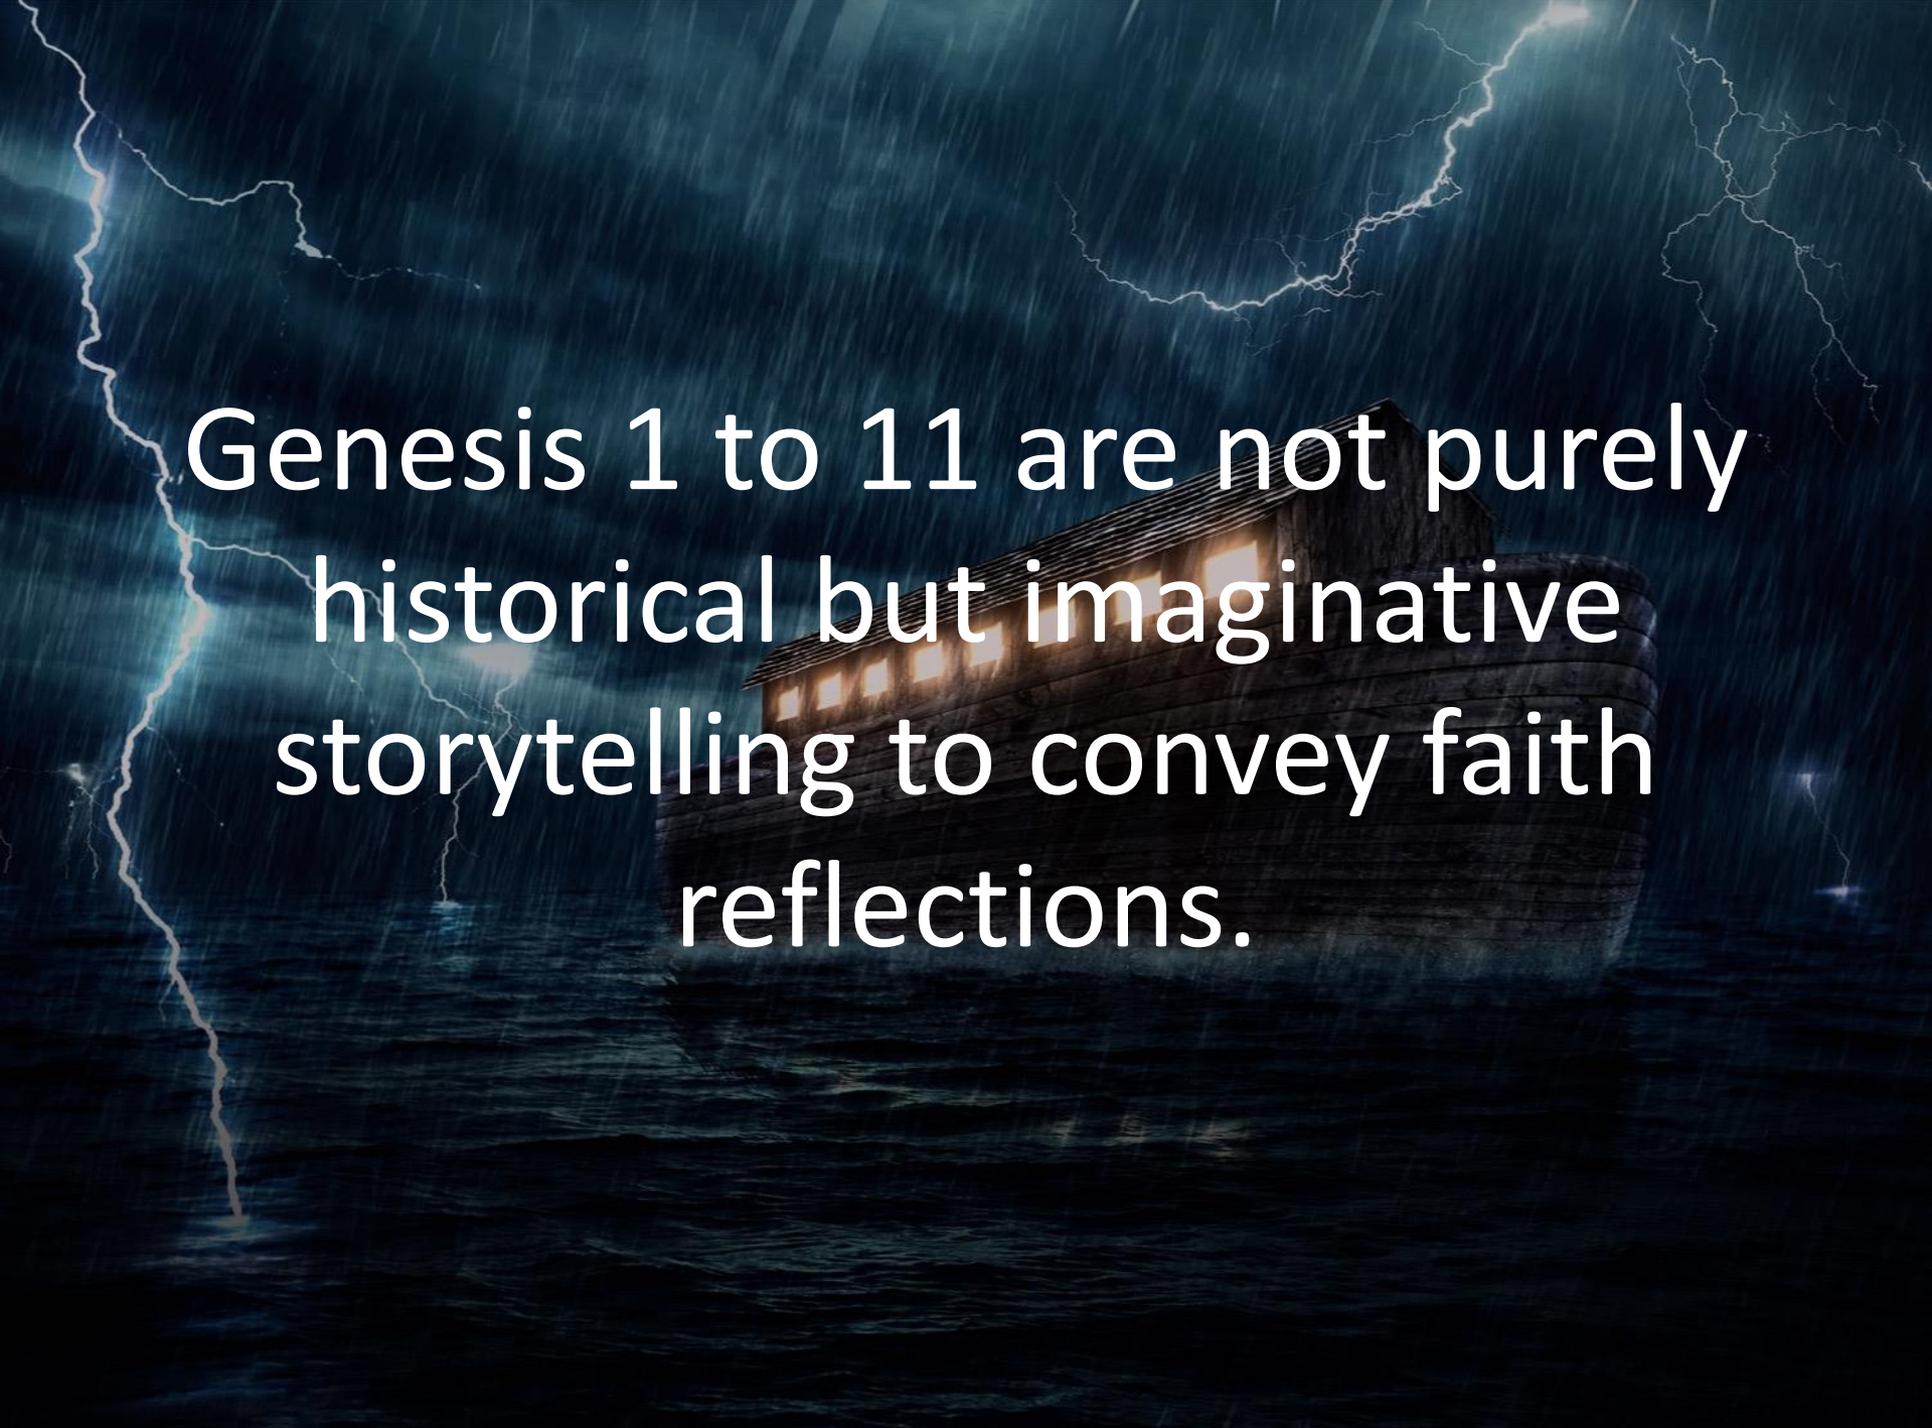

Question 1:

Did Noah's Ark  
Really Happen?

“Was there a real Adam  
and a real Eve?”

A dramatic scene of a stormy sea with a wooden ark in the center, illuminated by lightning. The ark is a large, multi-story wooden structure with several windows glowing from within. The sea is dark and turbulent, with white-capped waves. The sky is dark and filled with rain, with several bright lightning bolts striking down. The overall atmosphere is one of intense, divine power and a sense of being in the middle of a great event.

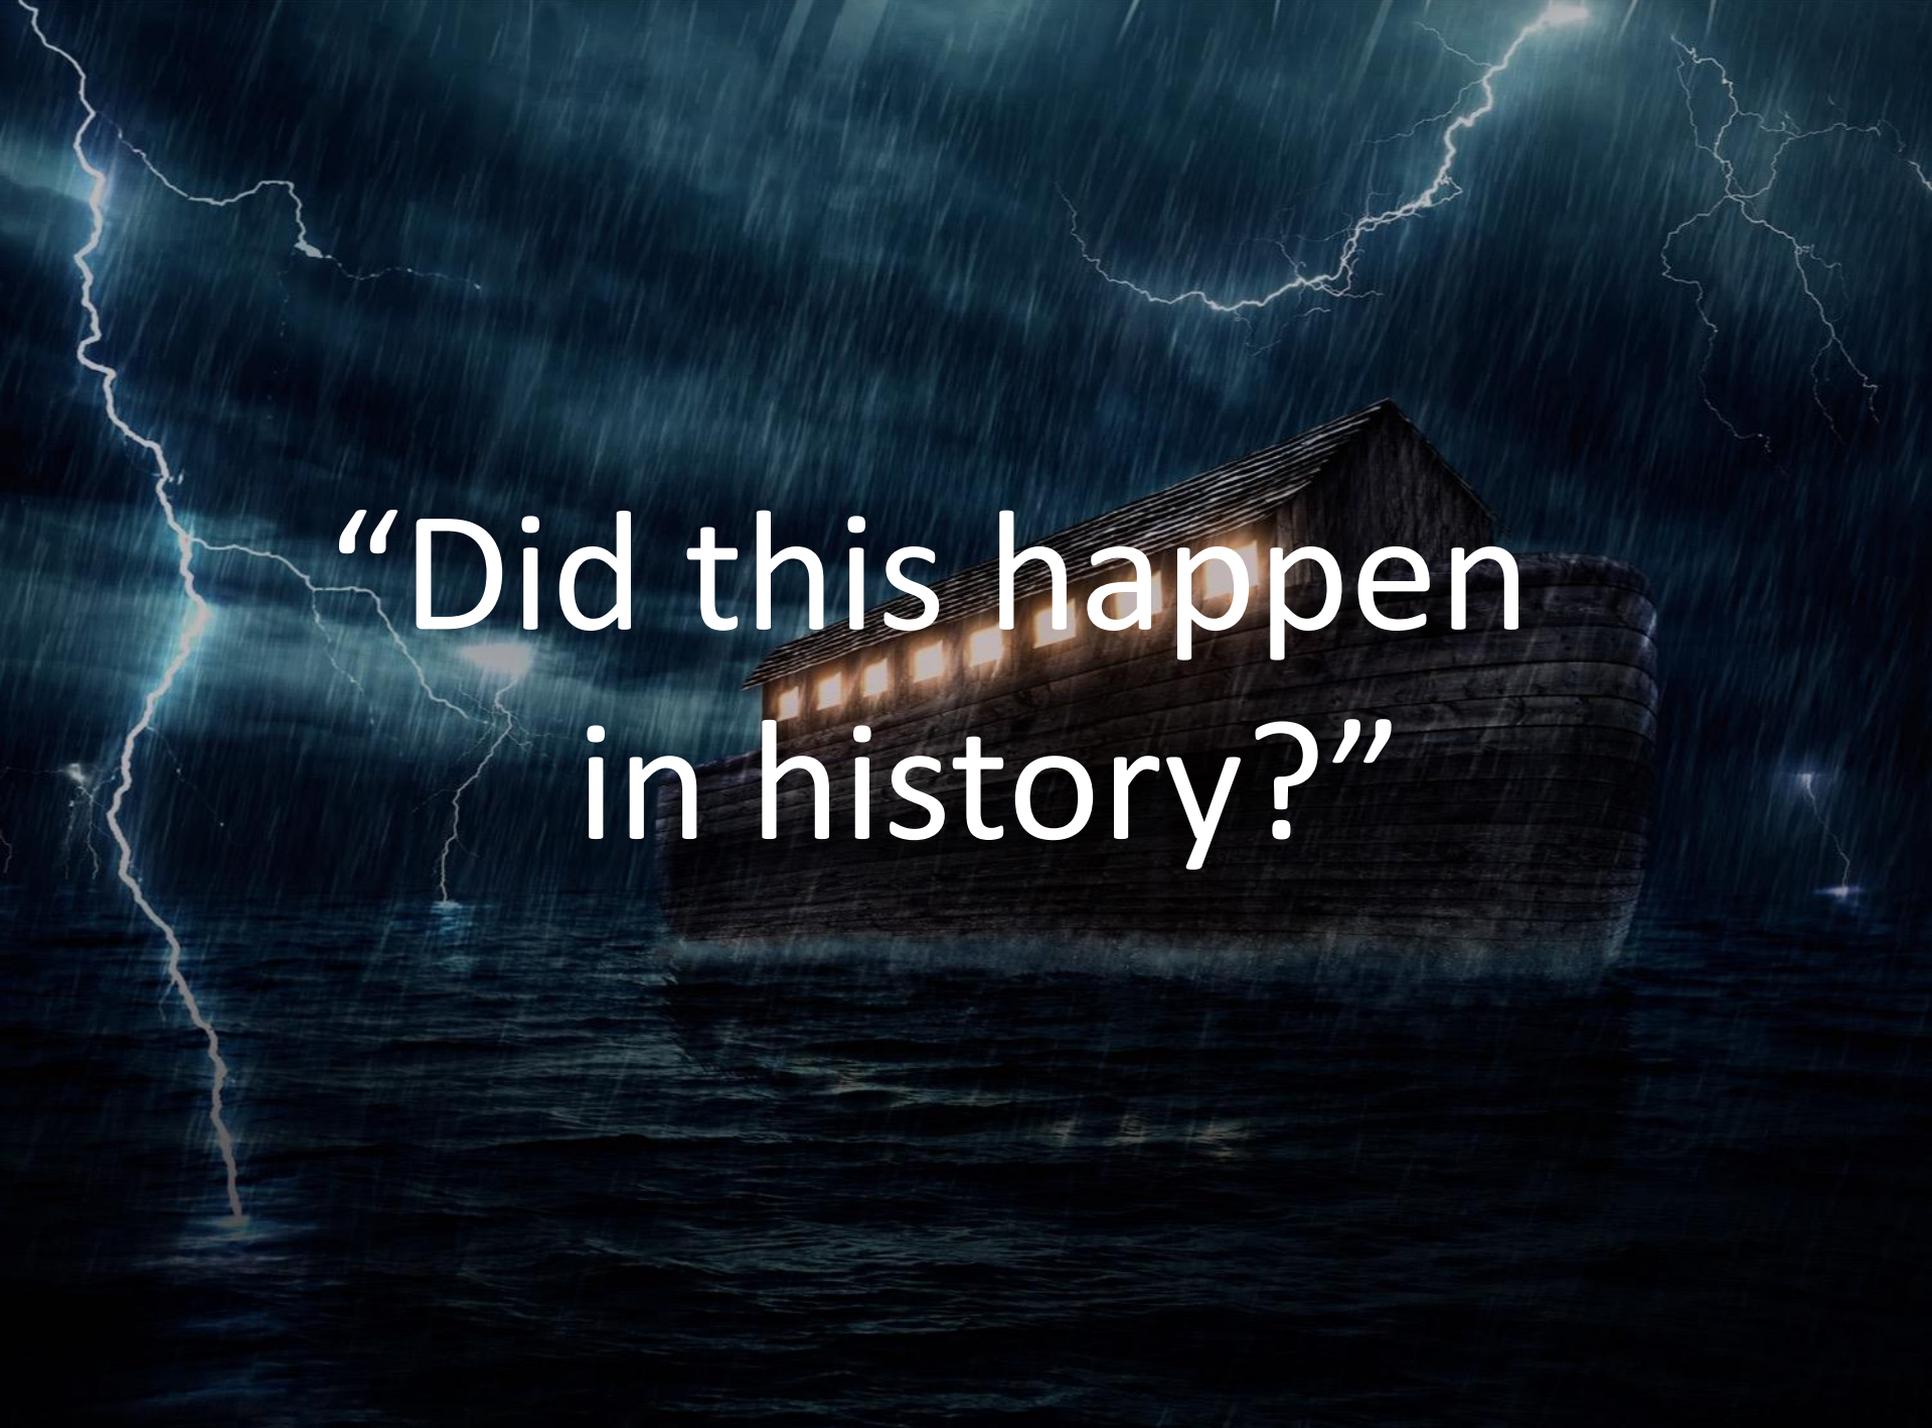

Genesis 1 to 11 are not purely historical but imaginative storytelling to convey faith reflections.

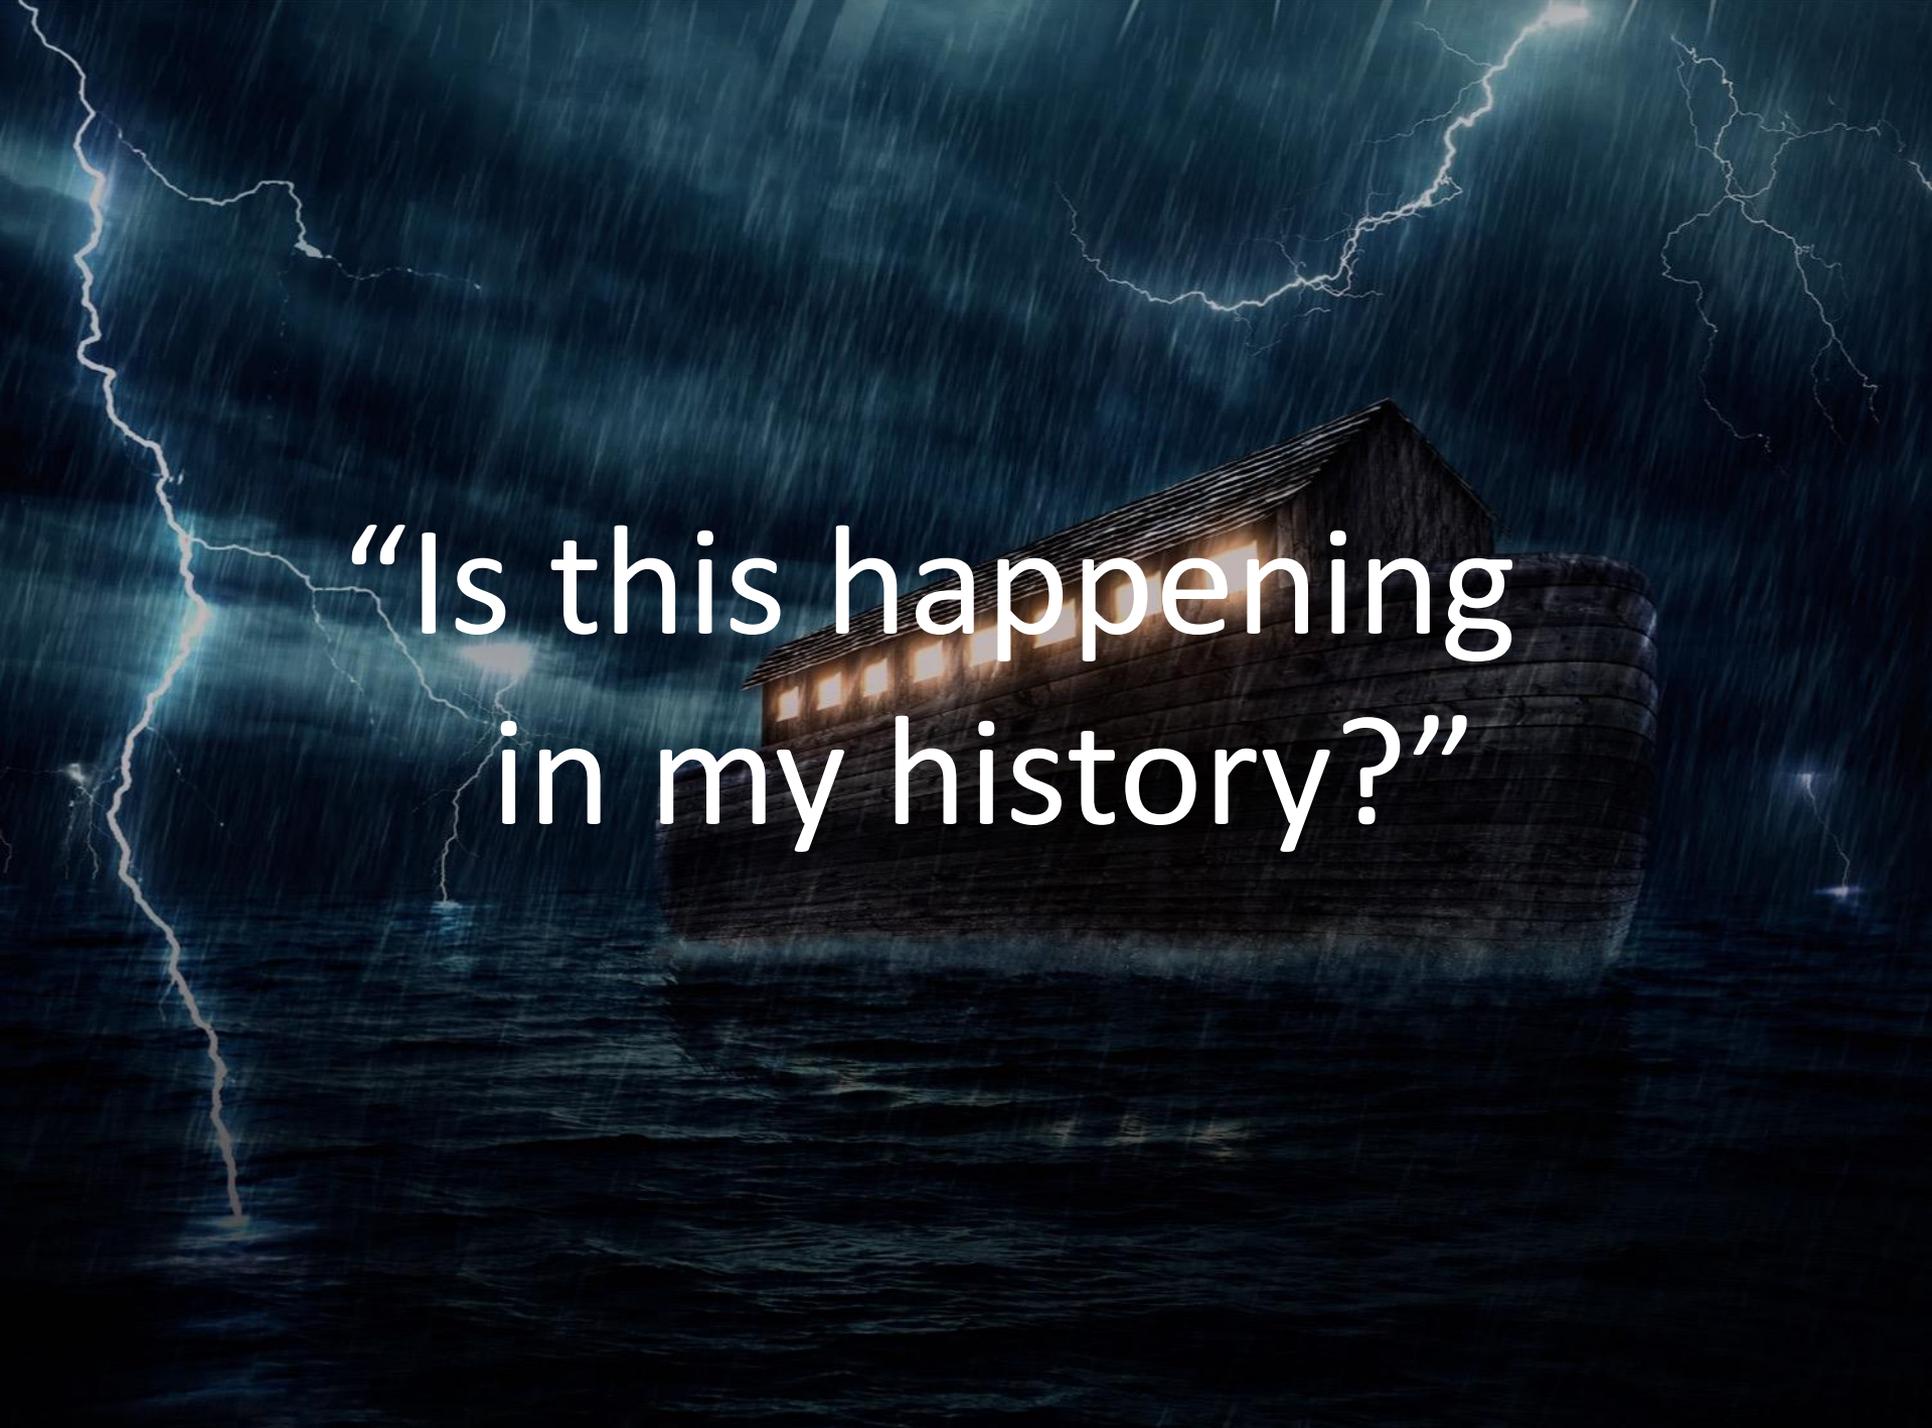

Authenticity doesn't depend  
on Historicity.

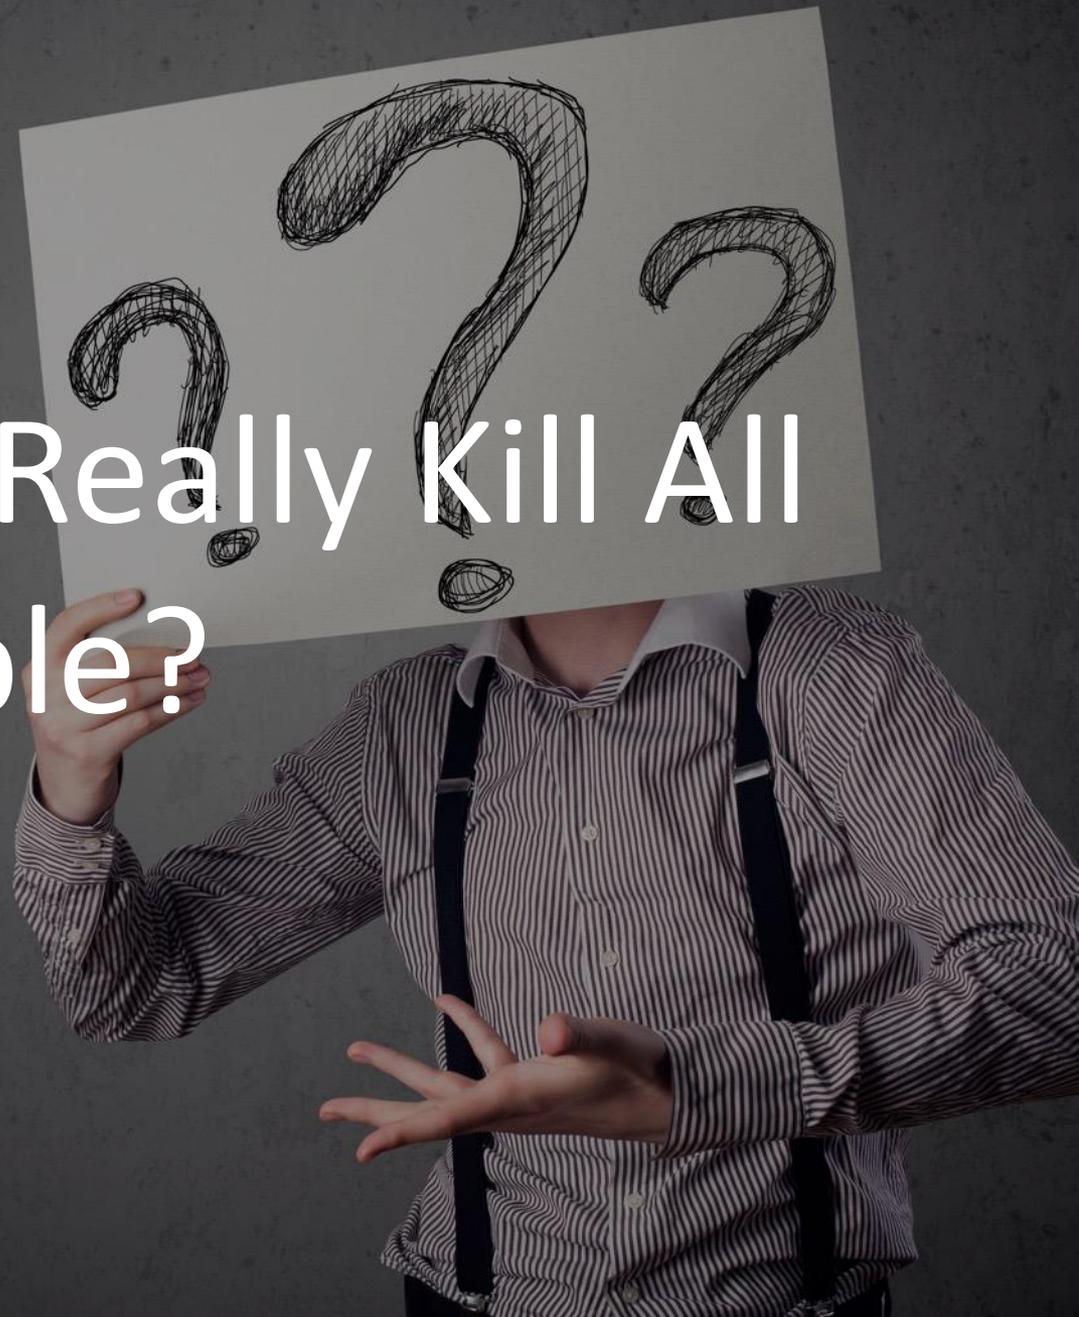

A dramatic scene of a wooden ark on a stormy sea at night. The ark is illuminated from within, with several windows glowing. The sky is dark and filled with lightning bolts, and the sea is turbulent. The text "Did this happen in history?" is overlaid on the image in a large, white, sans-serif font.

“Did this happen  
in history?”

A dramatic scene of a wooden ark on a stormy sea at night. The ark is illuminated from within, with several windows glowing. The sky is dark and filled with lightning bolts, and the sea is turbulent. The overall mood is one of crisis and divine intervention.

“Is this happening  
in my history?”

## 2. Did God Really Kill All Those People?

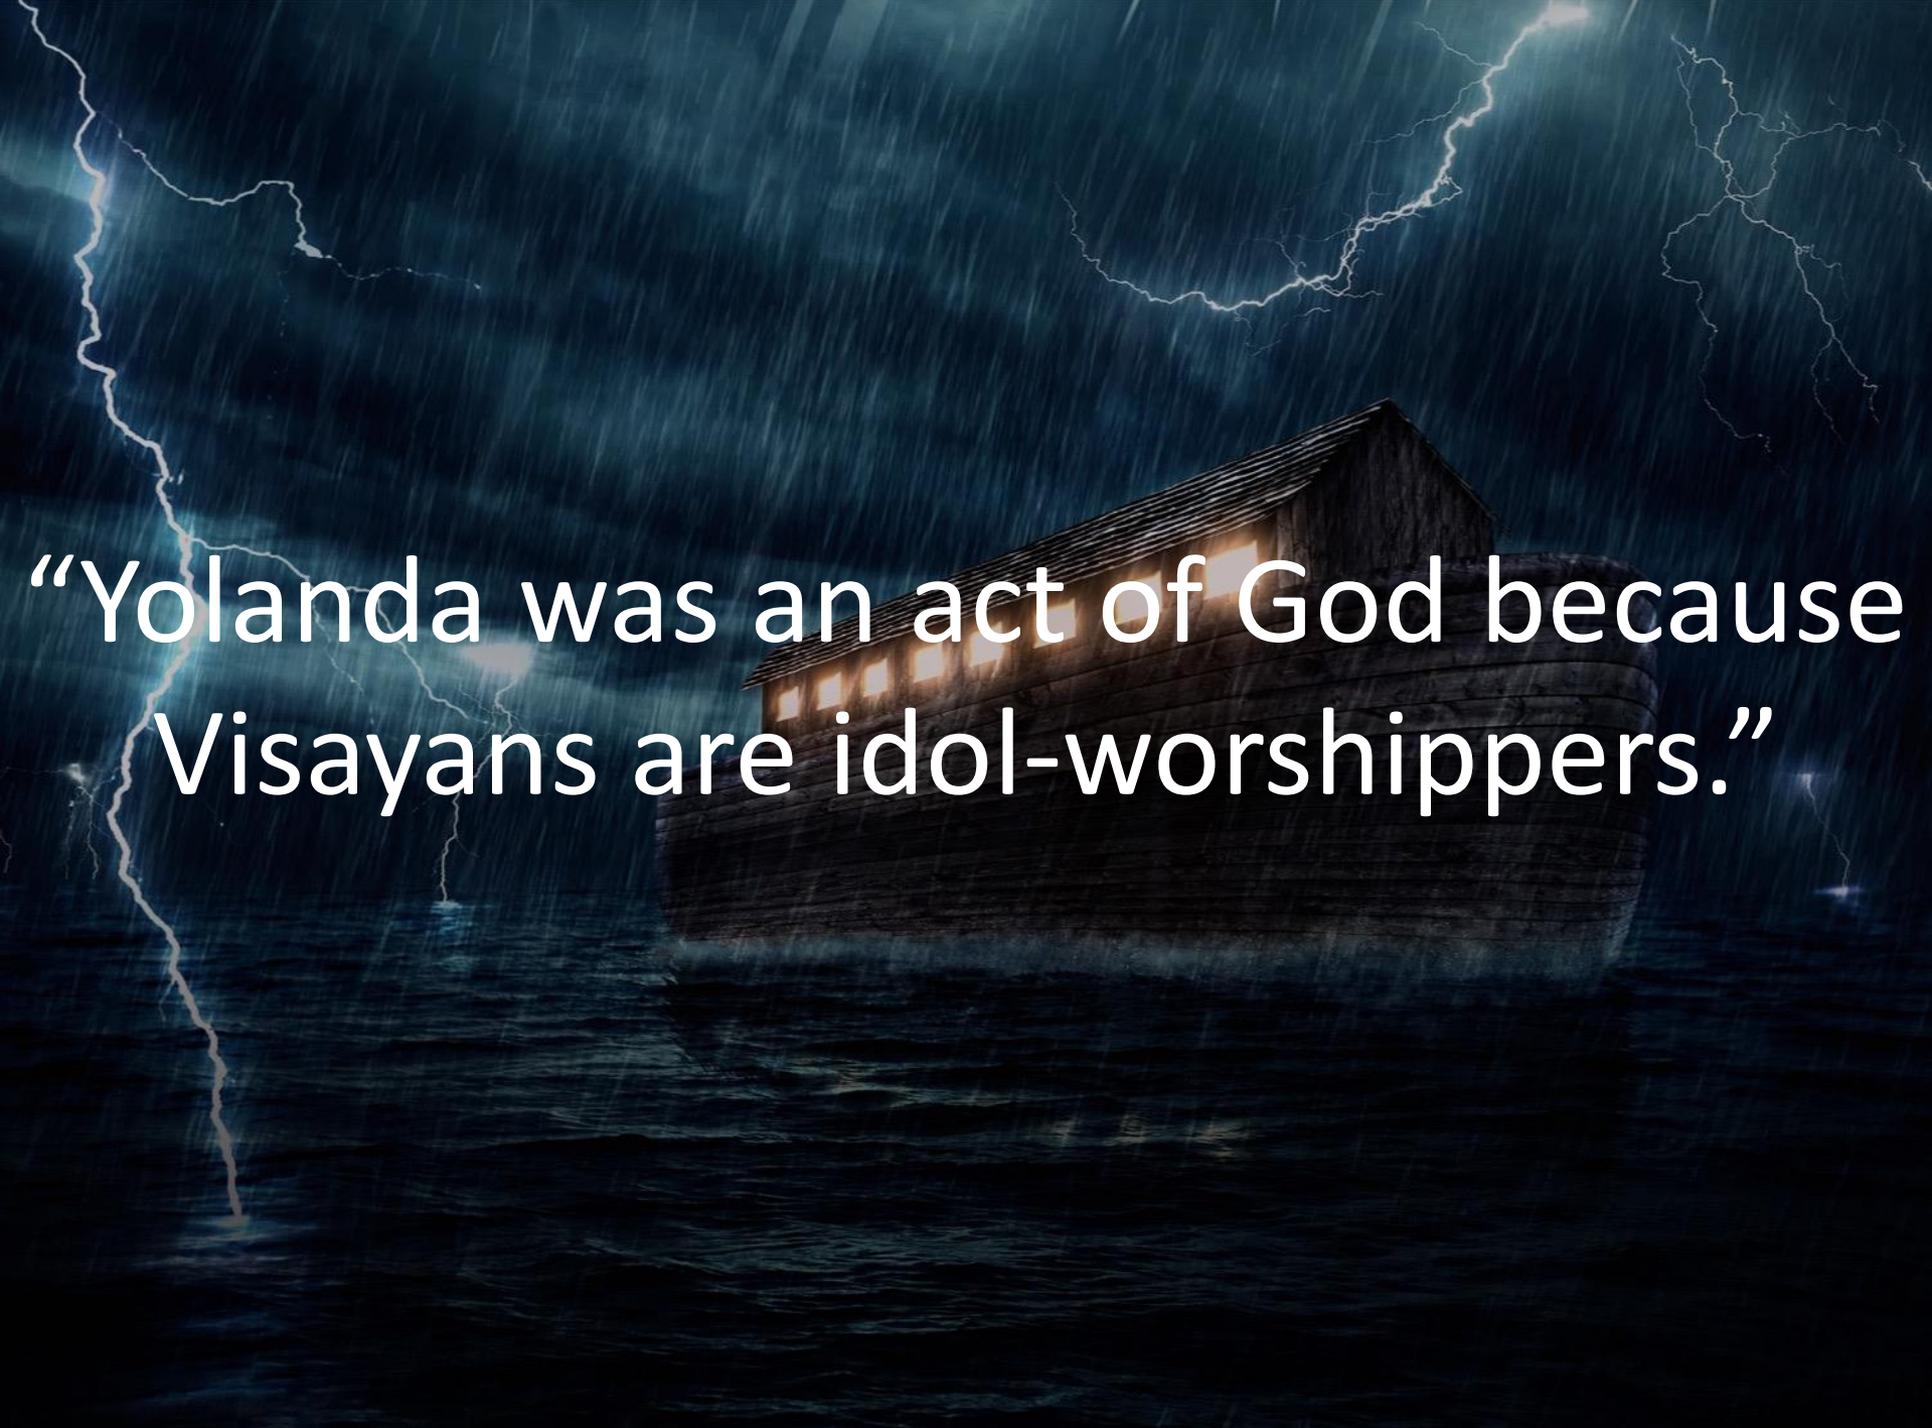

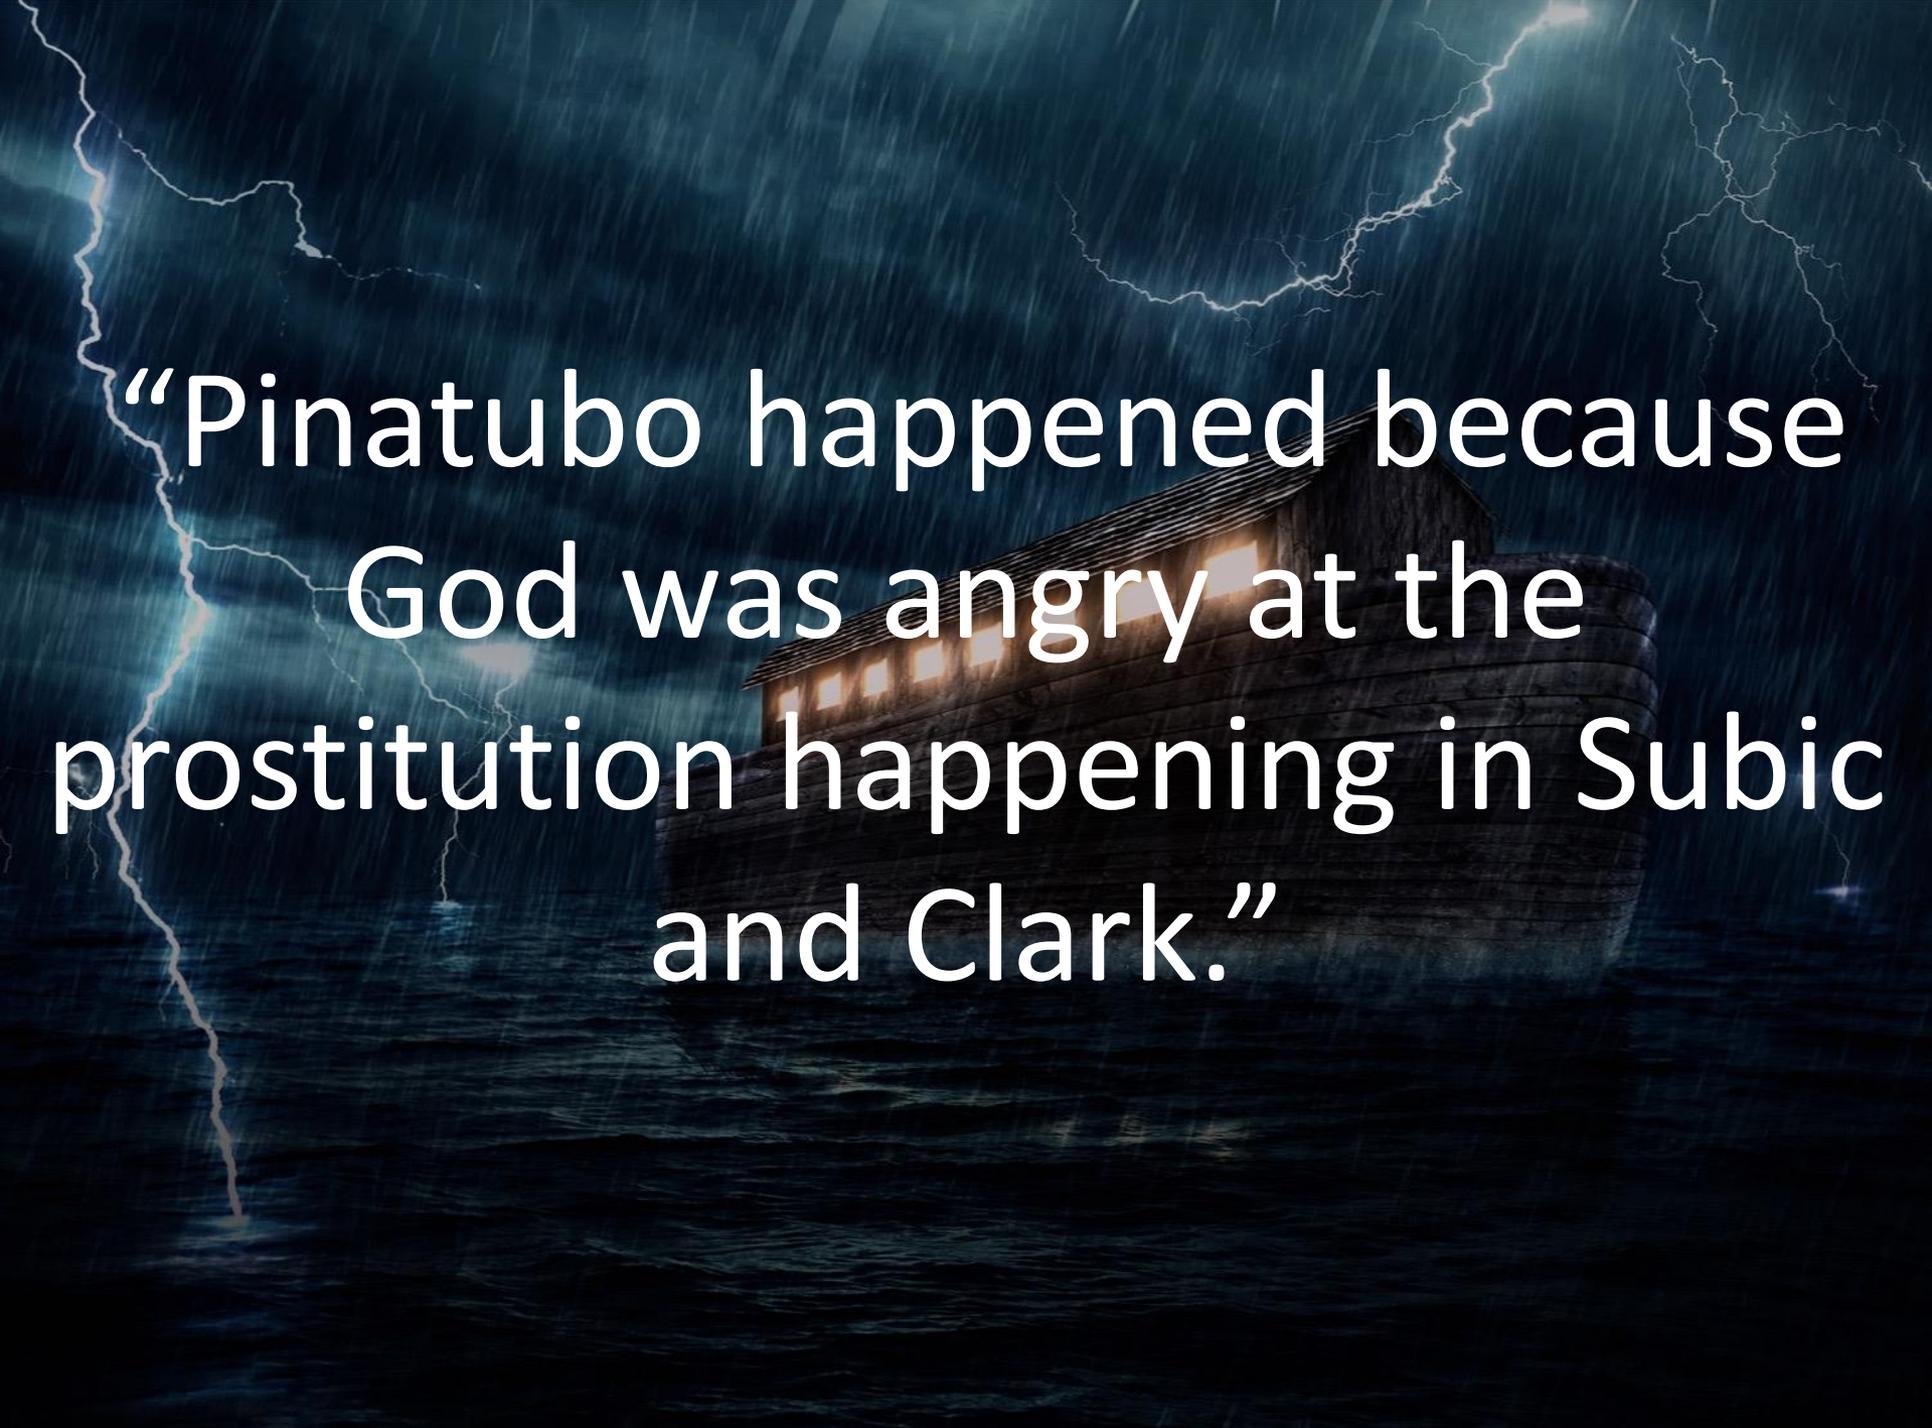

A dramatic scene of a wooden ark floating on a dark, stormy sea. The ark is illuminated from within, with several windows glowing. The sky is dark and filled with rain, with several bright lightning bolts striking down. The overall mood is one of peril and divine judgment.

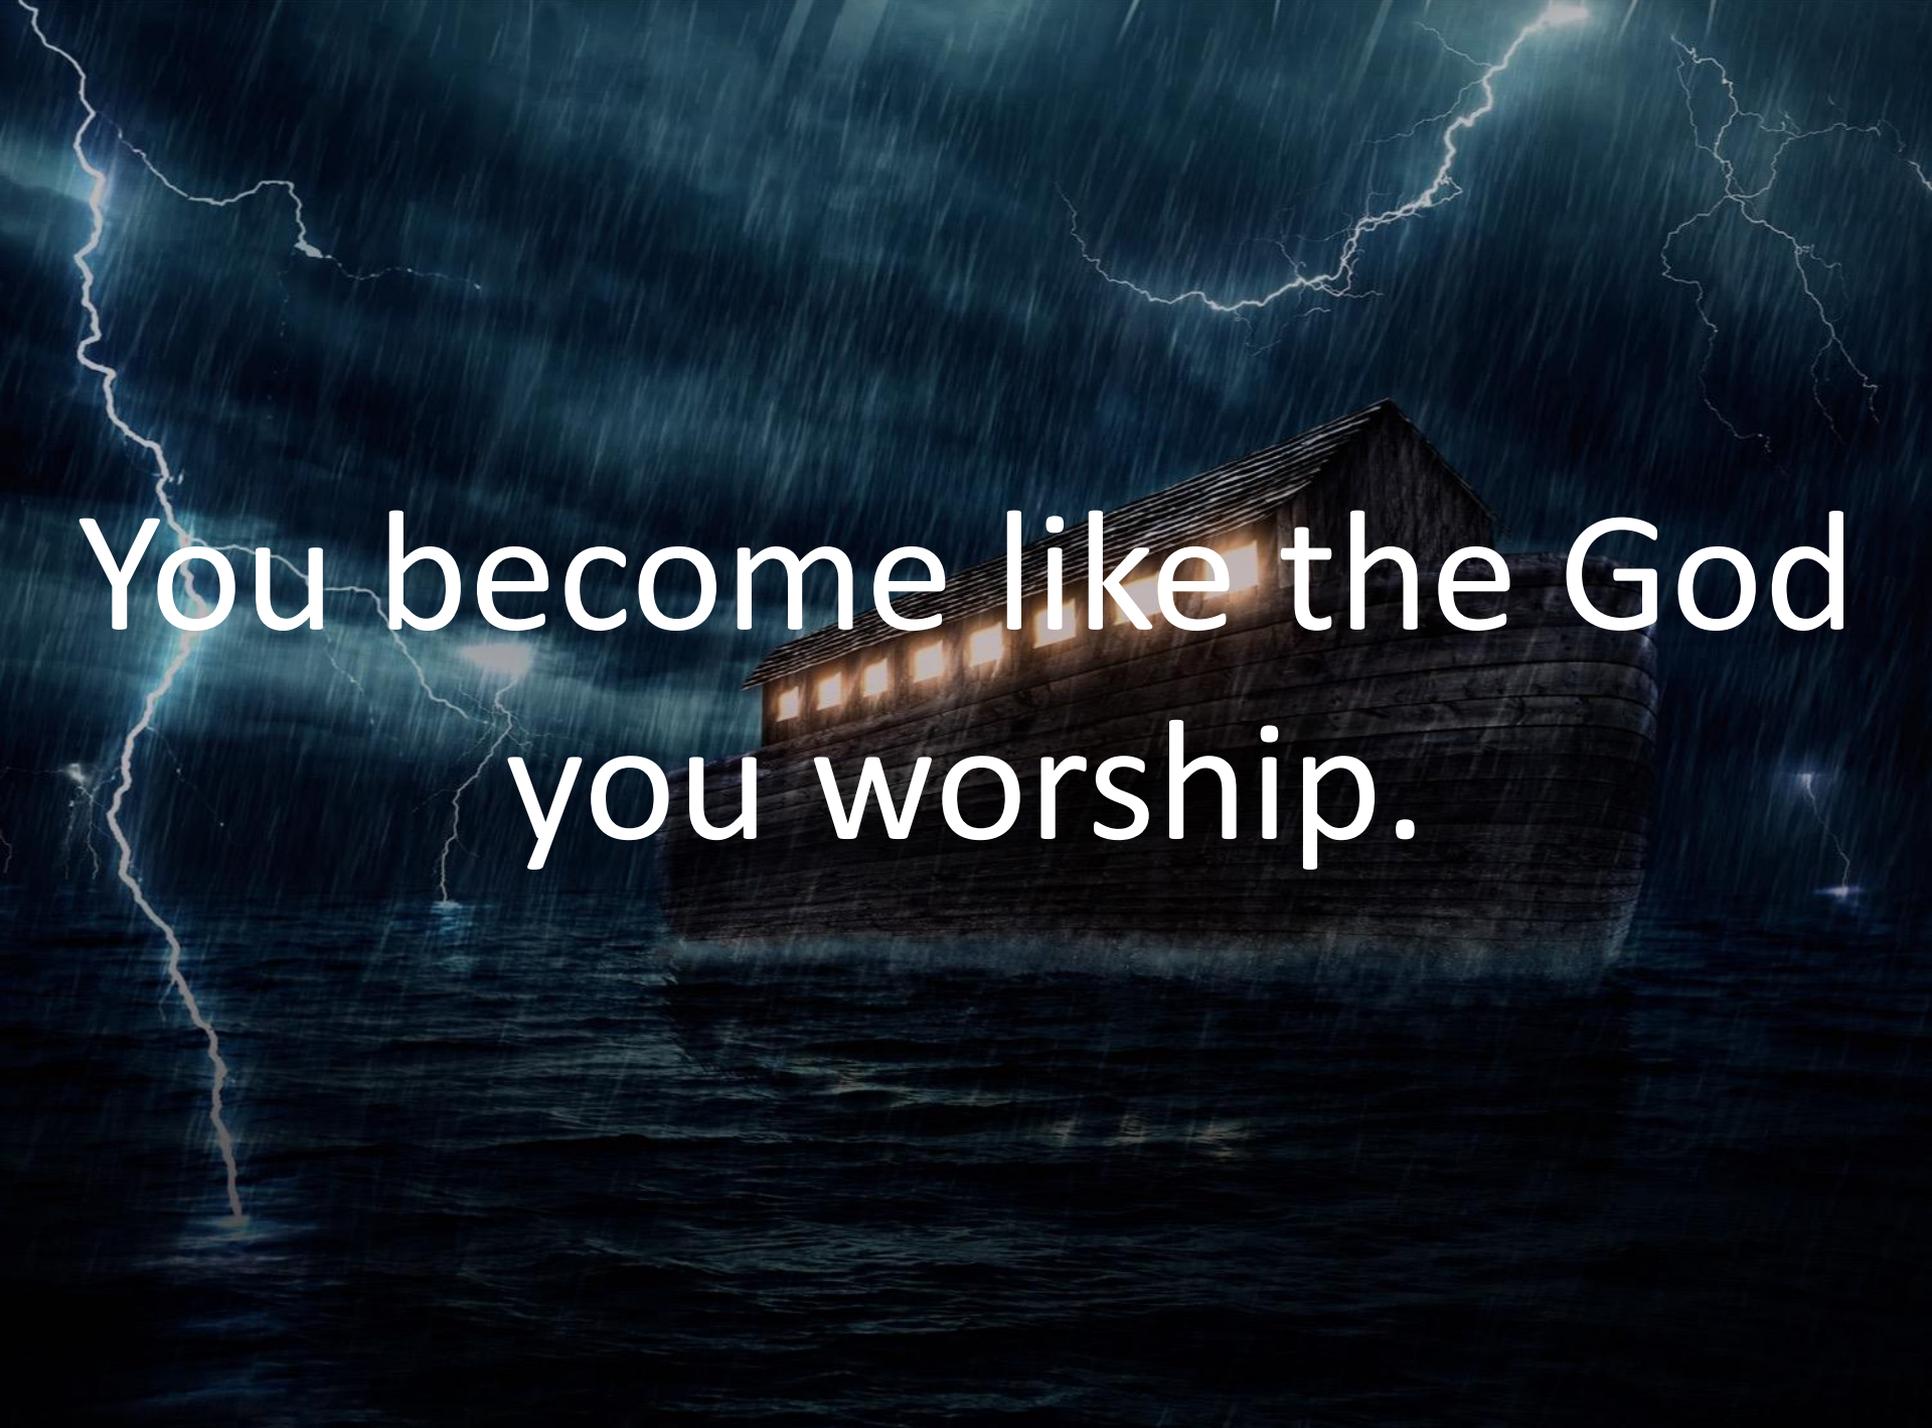

Cruel People Worship A Cruel God  
OR worshipping a cruel God makes  
people cruel

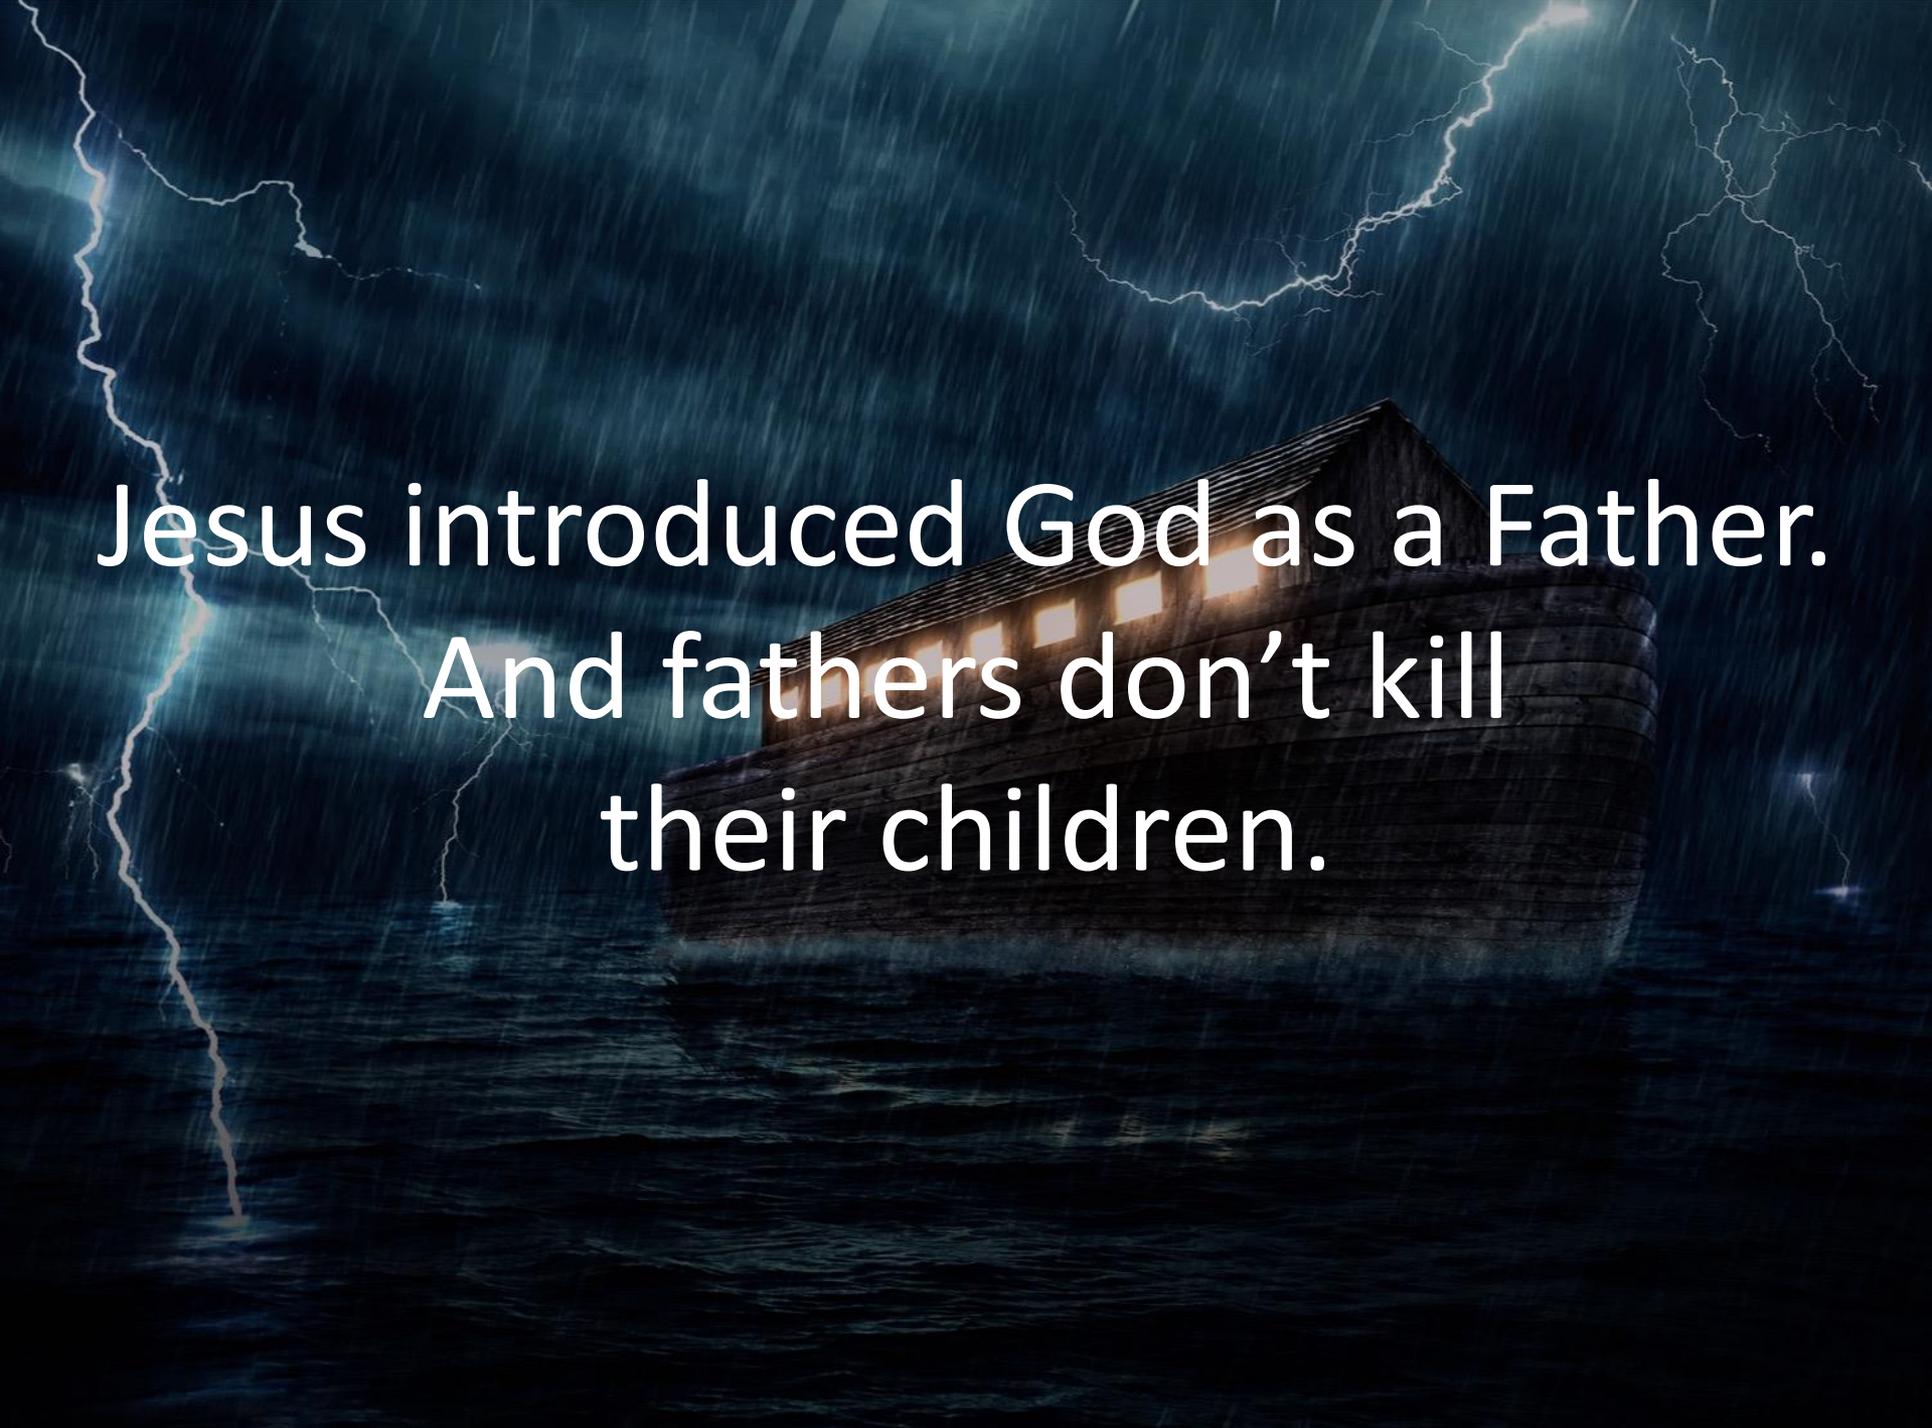

“Yolanda was an act of God because  
Visayans are idol-worshippers.”

A dramatic scene of a wooden ark on a stormy sea at night. The ark is illuminated from within, with several windows glowing. The sky is dark and filled with lightning bolts, and the sea is turbulent. The text is overlaid on the scene in a white, sans-serif font.

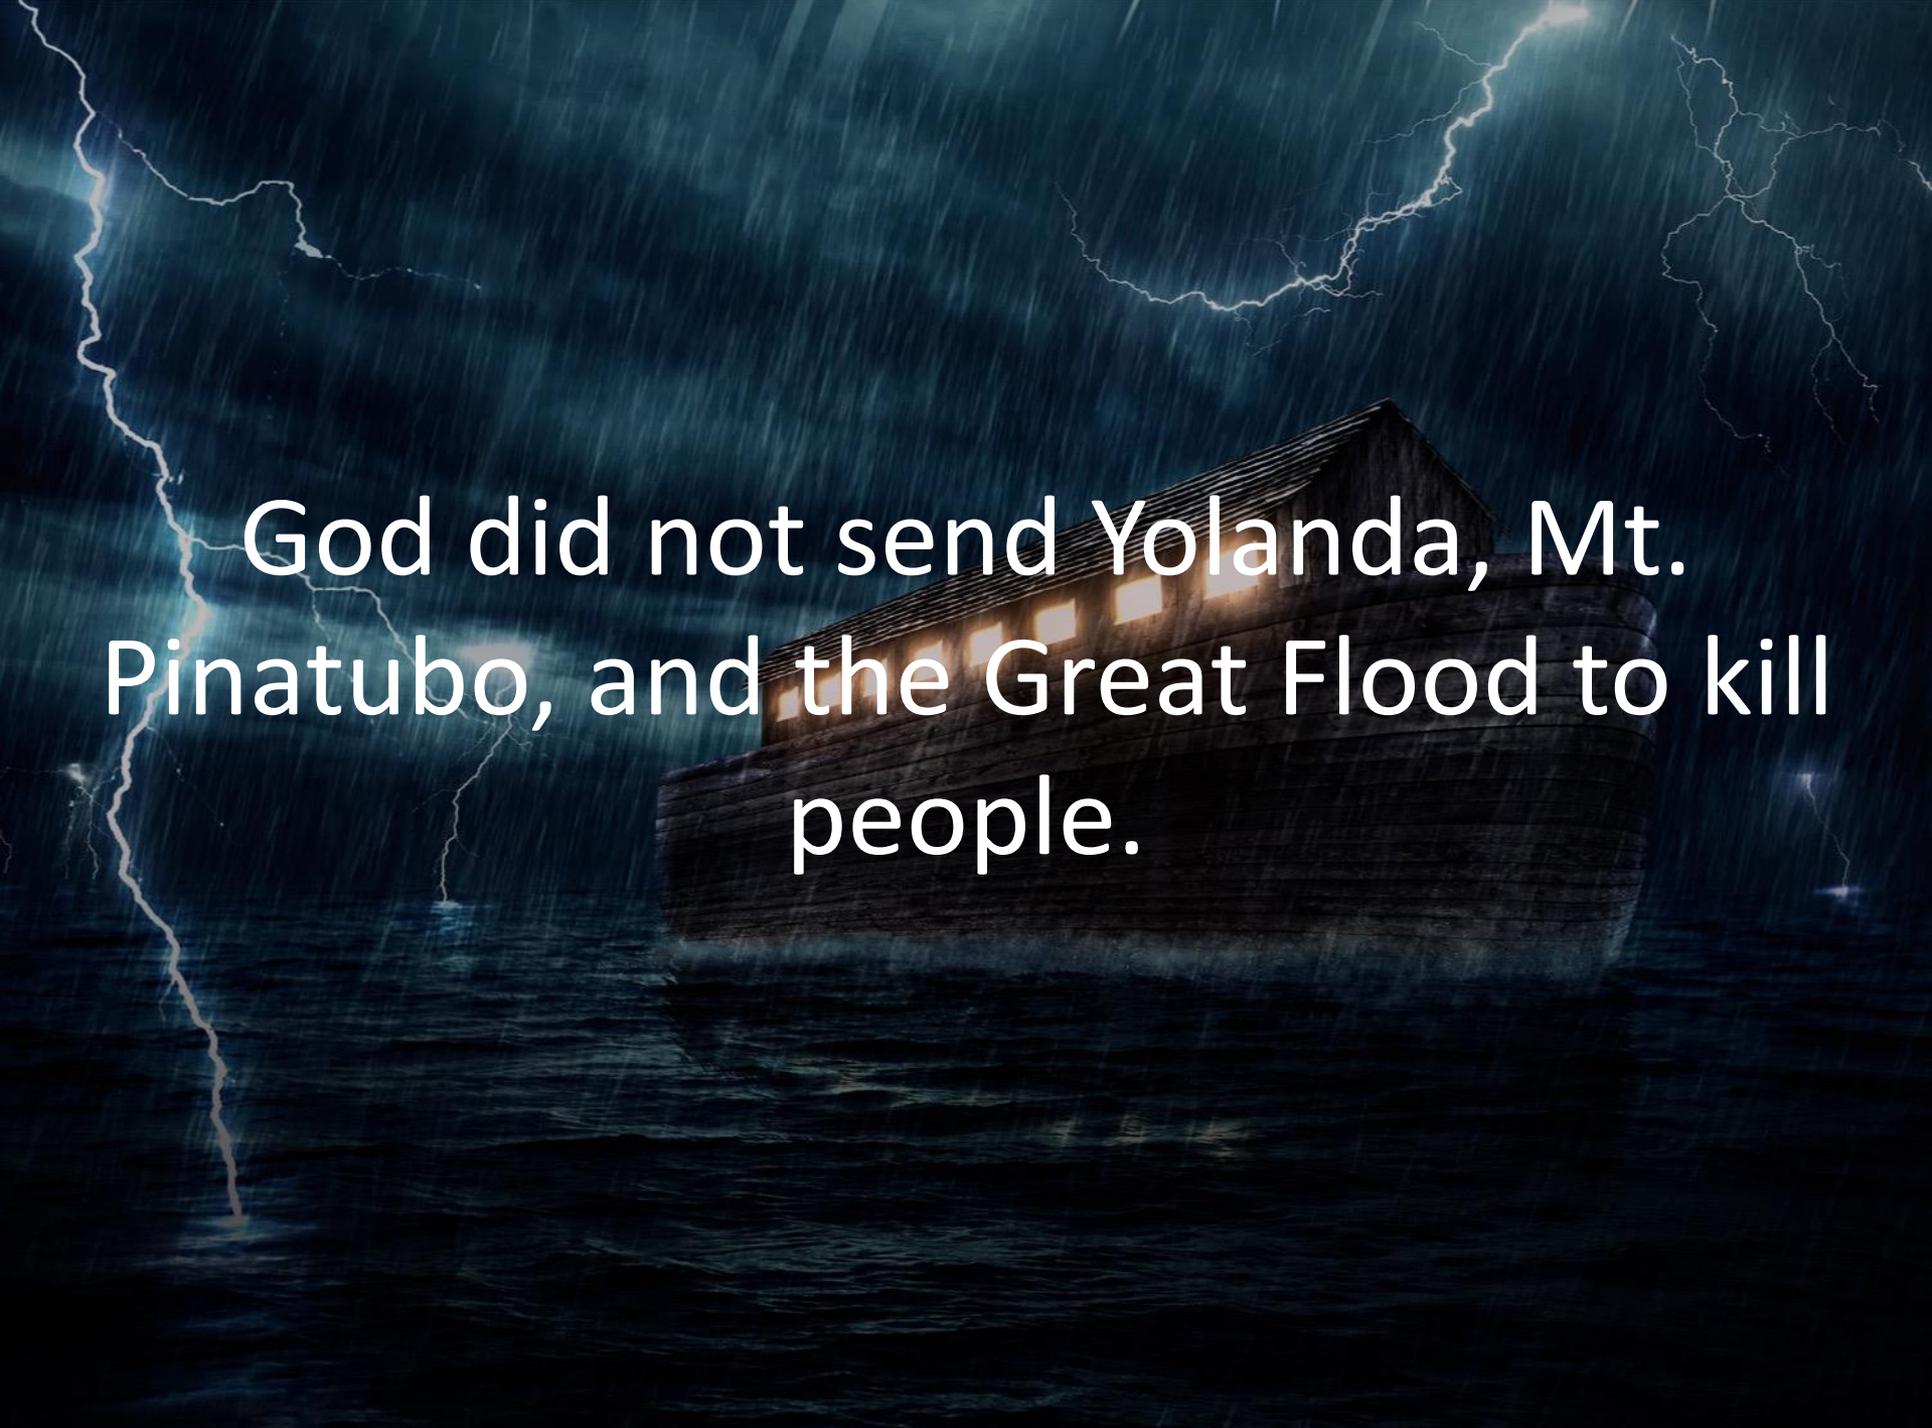

“Pinatubo happened because  
God was angry at the  
prostitution happening in Subic  
and Clark.”

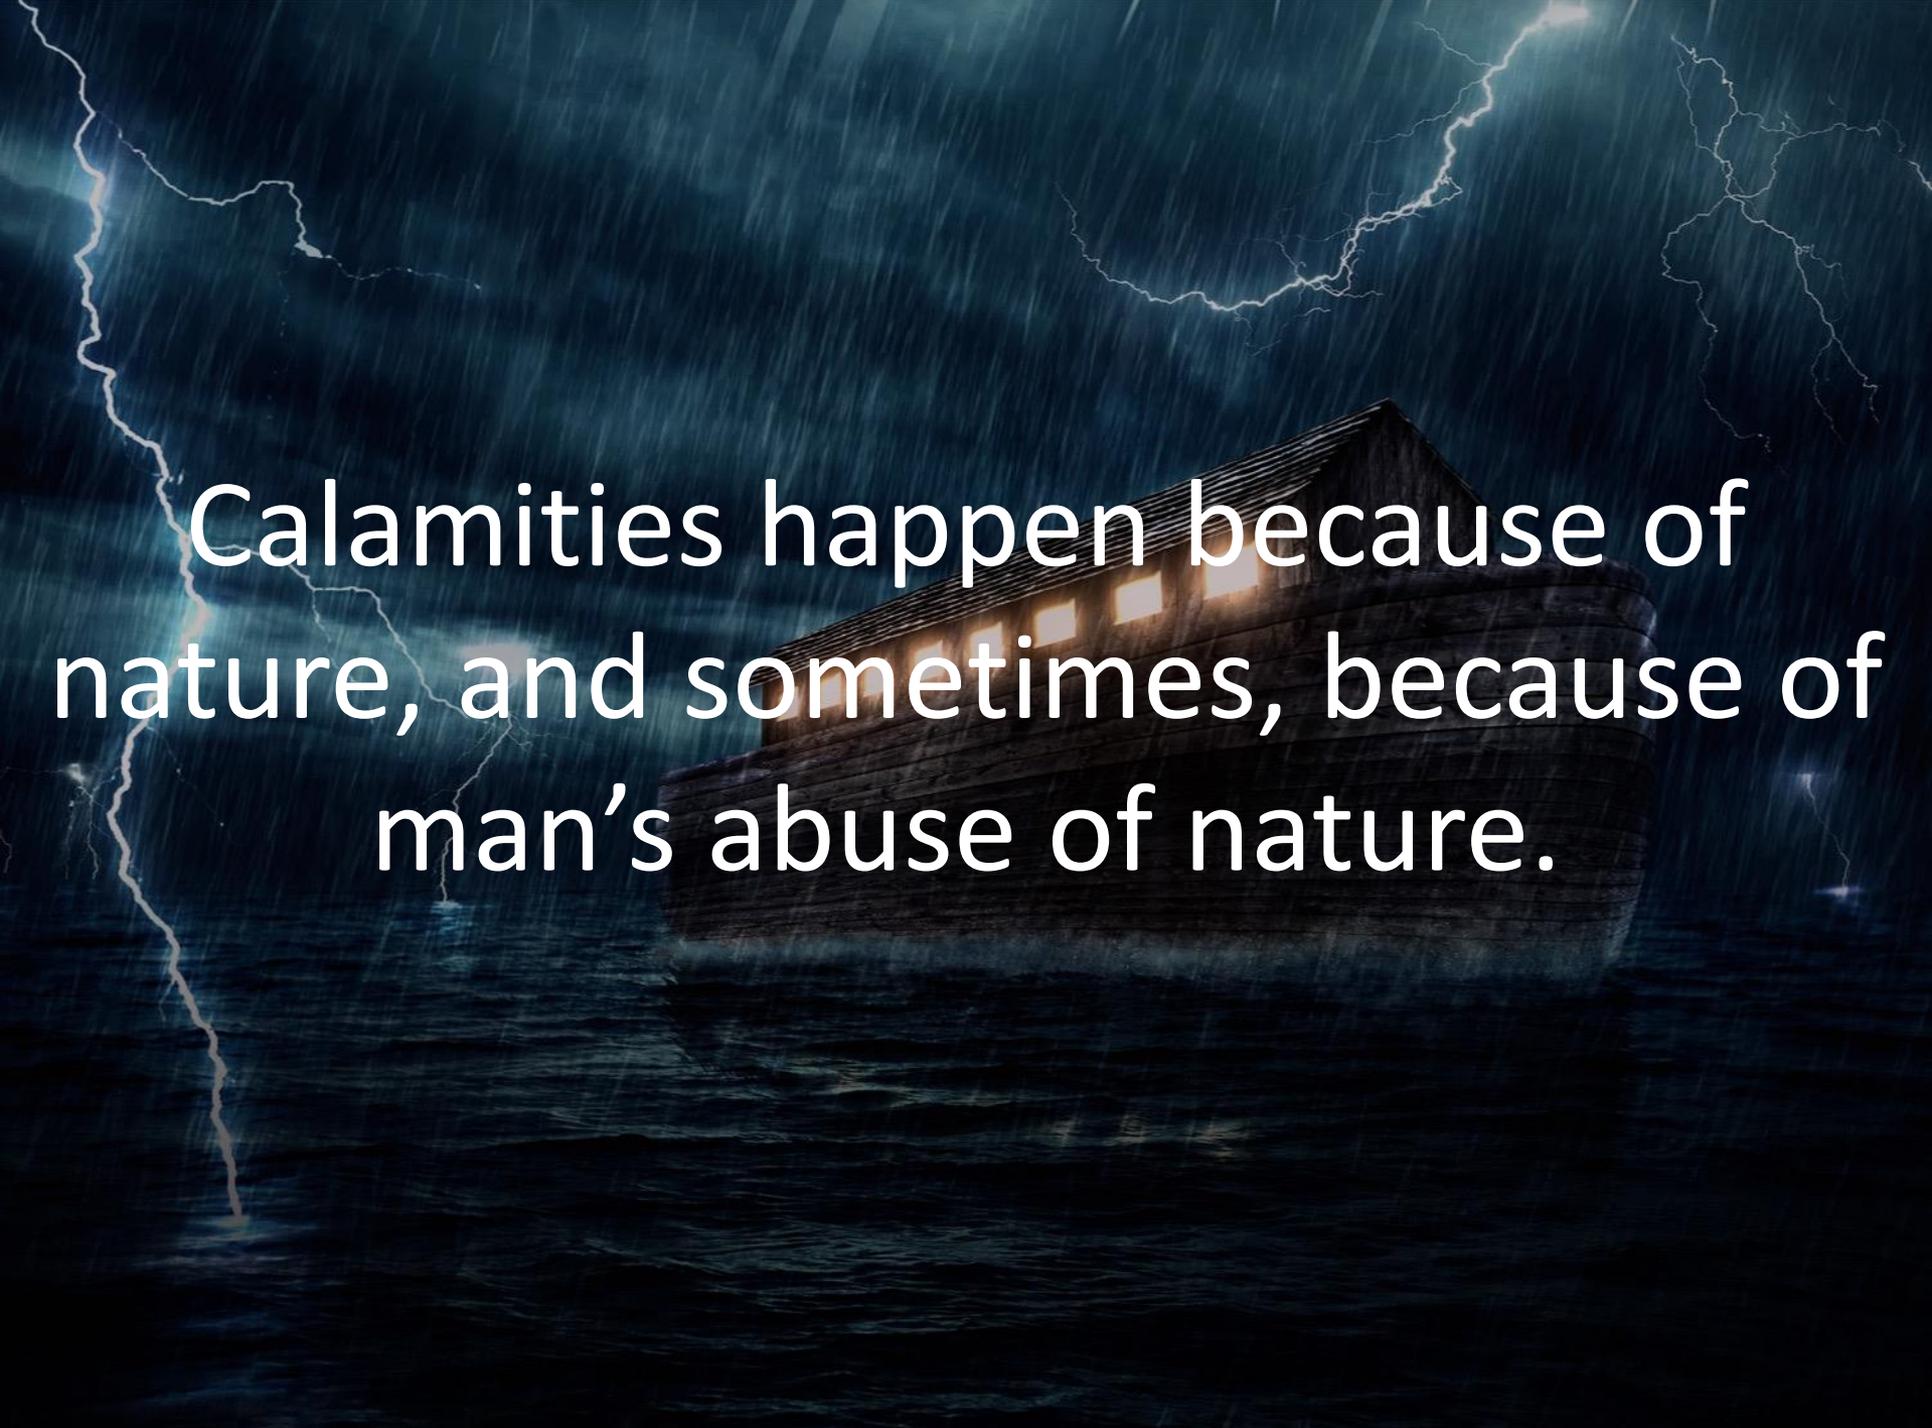

You become like the God  
you worship.

A dramatic scene of a wooden ark floating on a dark, stormy sea. The ark is illuminated from within, with several windows glowing with a warm, golden light. The sky is dark and filled with rain, with several bright, jagged lightning bolts striking down. The overall atmosphere is one of intense weather and divine protection.

Jesus introduced God as a Father.  
And fathers don't kill  
their children.

God did not send Yolanda, Mt.  
Pinatubo, and the Great Flood to kill  
people.

Calamities happen because of nature, and sometimes, because of man's abuse of nature.

A person with a backpack is hiking on a grassy mountain ridge at sunrise. The sun is low on the horizon, casting a warm glow over the landscape. The person is in the foreground, looking towards the horizon. The background shows rolling hills and a clear sky with some light clouds.

# The Bible As A Faith Journey

A group of hikers is seen from behind, walking along a grassy mountain ridge. The scene is set at sunrise or sunset, with the sun low on the horizon, casting a warm, golden glow over the landscape. The sky is filled with soft, wispy clouds. The hikers are silhouetted against the bright light, and their shadows are cast on the grass. The overall mood is one of quiet reflection and a sense of journey.

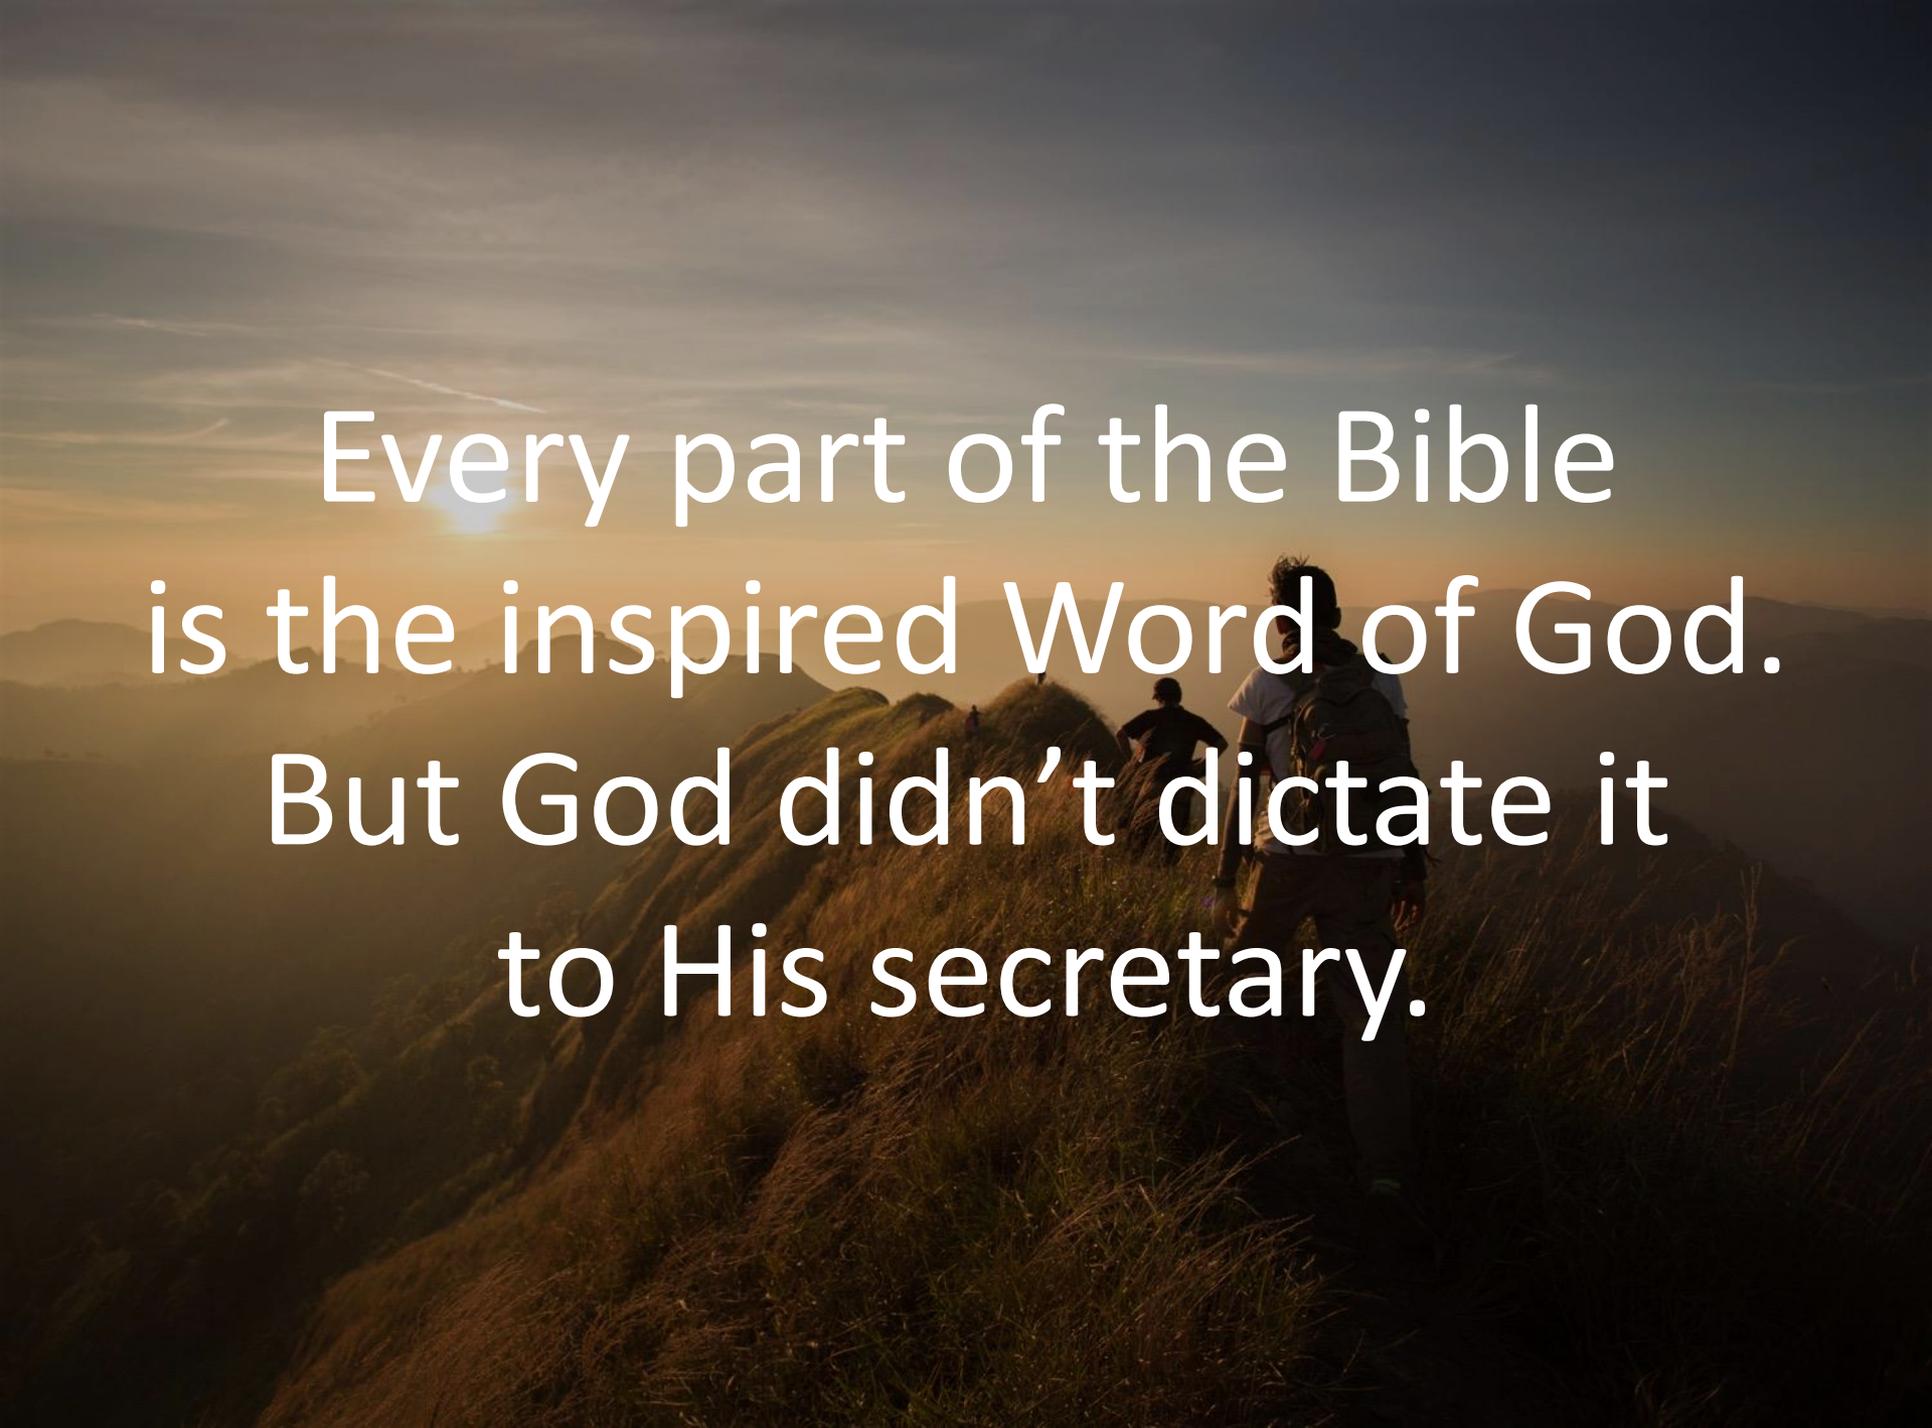

The Bible is a record of a  
group of people taking a  
transformational faith  
journey.

A person with a backpack is hiking up a grassy hill at sunset. The sun is low on the horizon, creating a warm, golden glow. The person is in the foreground, slightly to the right, looking towards the horizon. The background shows rolling hills and a clear sky with some light clouds. The overall mood is peaceful and contemplative.

And page after page after page,  
the Bible records a maturing  
understanding of God.

Imagine A Diary

A person with a backpack is hiking up a grassy hill at sunset. The sun is low on the horizon, creating a warm, golden glow. The person is in the foreground, slightly to the right, looking towards the horizon. In the background, another person is visible further up the hill. The sky is filled with soft, wispy clouds, and the overall atmosphere is peaceful and contemplative.

Every part of the Bible  
is the inspired Word of God.  
But God didn't dictate it  
to His secretary.

3. Does This Ancient Story  
Have A Message For Me  
Today?

A dramatic scene of a wooden ark floating on a dark, stormy sea. The ark is illuminated from within, with warm light glowing through several windows. The sky is dark and filled with rain, with several bright lightning bolts striking down. The overall mood is one of divine protection and renewal.

Through your storms,  
God is creating a new you.

“Master,” his disciples asked him,  
“why was this man born blind? Was it a result of  
his own sins or those of his parents?”  
“Neither, but to demonstrate the power of God.

When you are suffering,  
don't think of God as a  
**Punisher**  
but as a  
**Preparer**  
of your Victory.

You know, even though God waited patiently  
all the days that Noah built his ship,  
only a few were saved then, eight to be exact—  
saved from the water by the water.  
The waters of baptism do that for you...

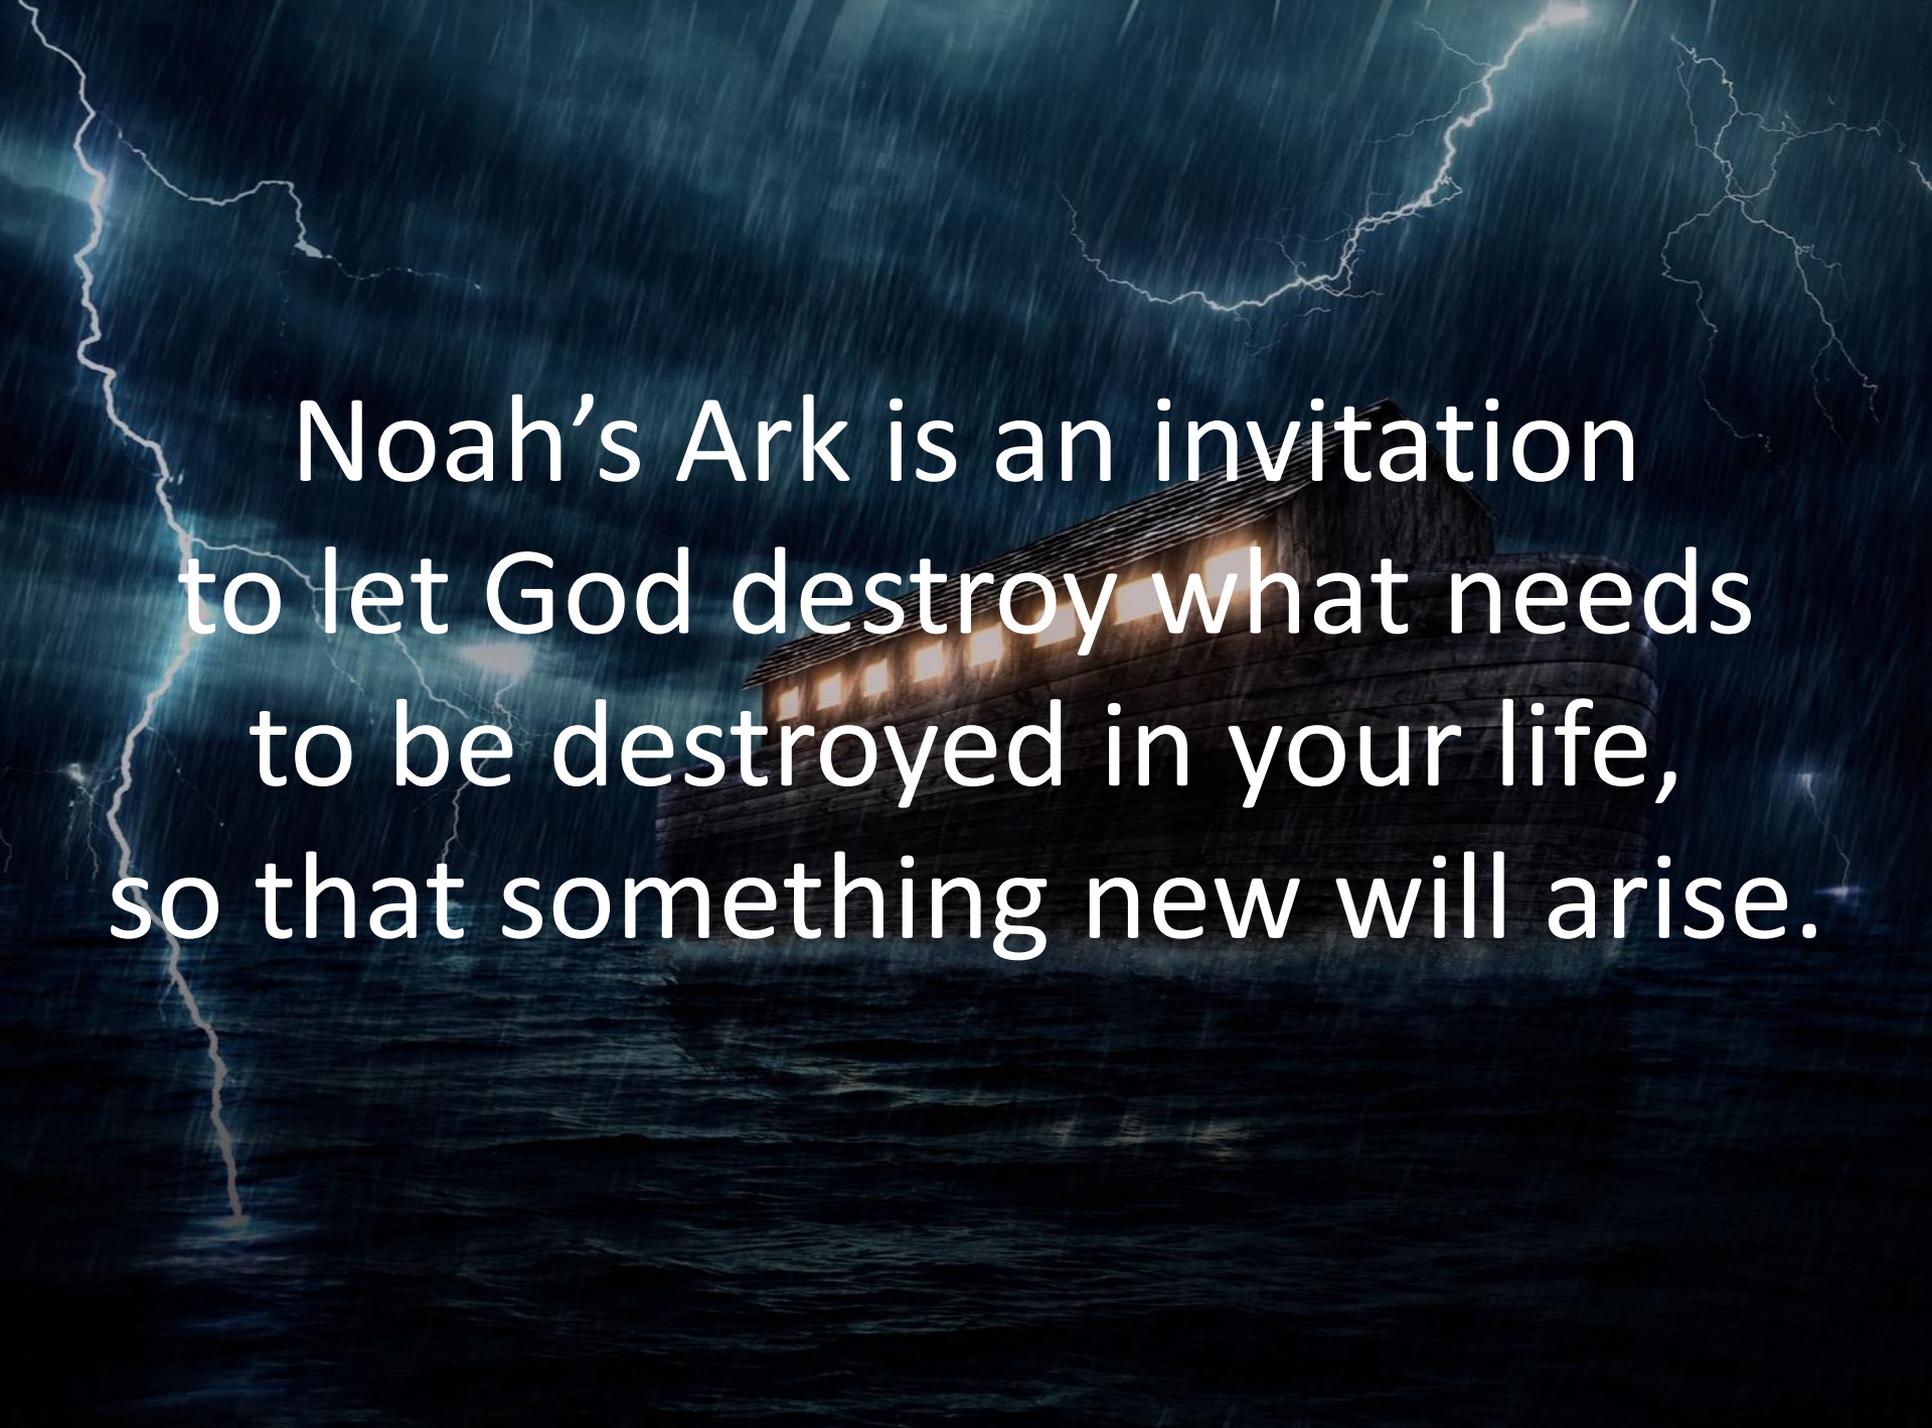

For when you were baptized, you were buried with Christ, and in baptism you were also raised with Christ through your faith in the active power of God, who raised him from death.

A dramatic scene of a wooden ark floating in a dark, stormy sea. The ark is illuminated from within, with several windows glowing. The sky is dark and filled with lightning bolts striking the water. The overall atmosphere is one of a powerful, divine storm.

Baptism is both your funeral  
and your resurrection

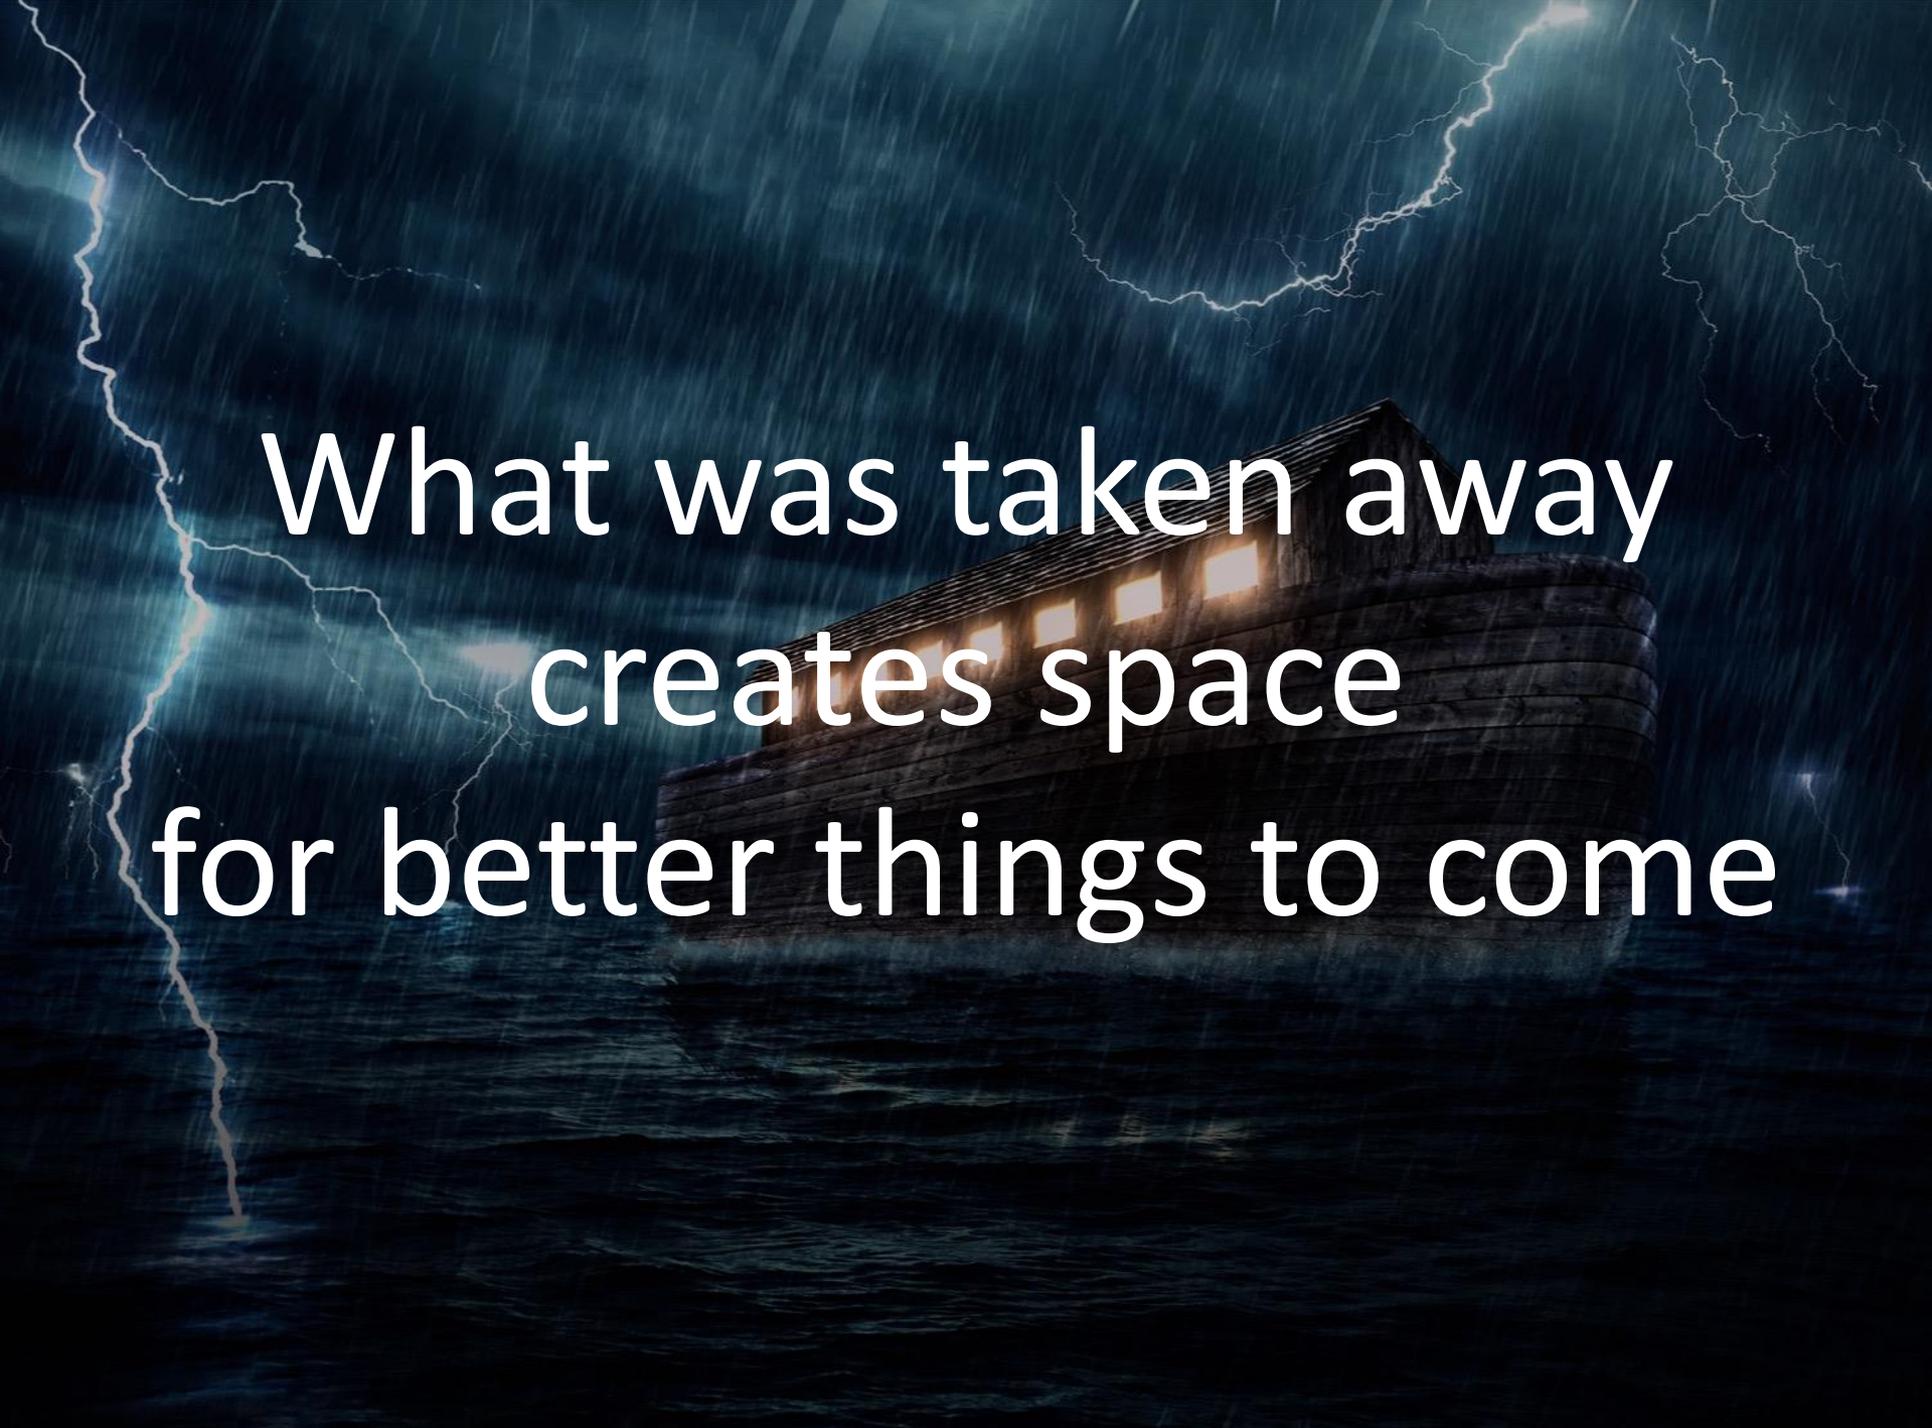

A dramatic scene of a wooden ark floating on a dark, stormy sea. The ark is illuminated from within, with warm light glowing through several windows. The sky is dark and filled with rain, with several bright lightning bolts striking down. The overall atmosphere is one of a biblical flood.

You're the new Noah  
and the church  
is the new Ark.

Noah's Ark is an invitation  
to let God destroy what needs  
to be destroyed in your life,  
so that something new will arise.

Unless a grain of wheat is buried in the ground, dead to the world, it is never any more than a grain of wheat. But if it is buried, it sprouts and reproduces itself many times over.

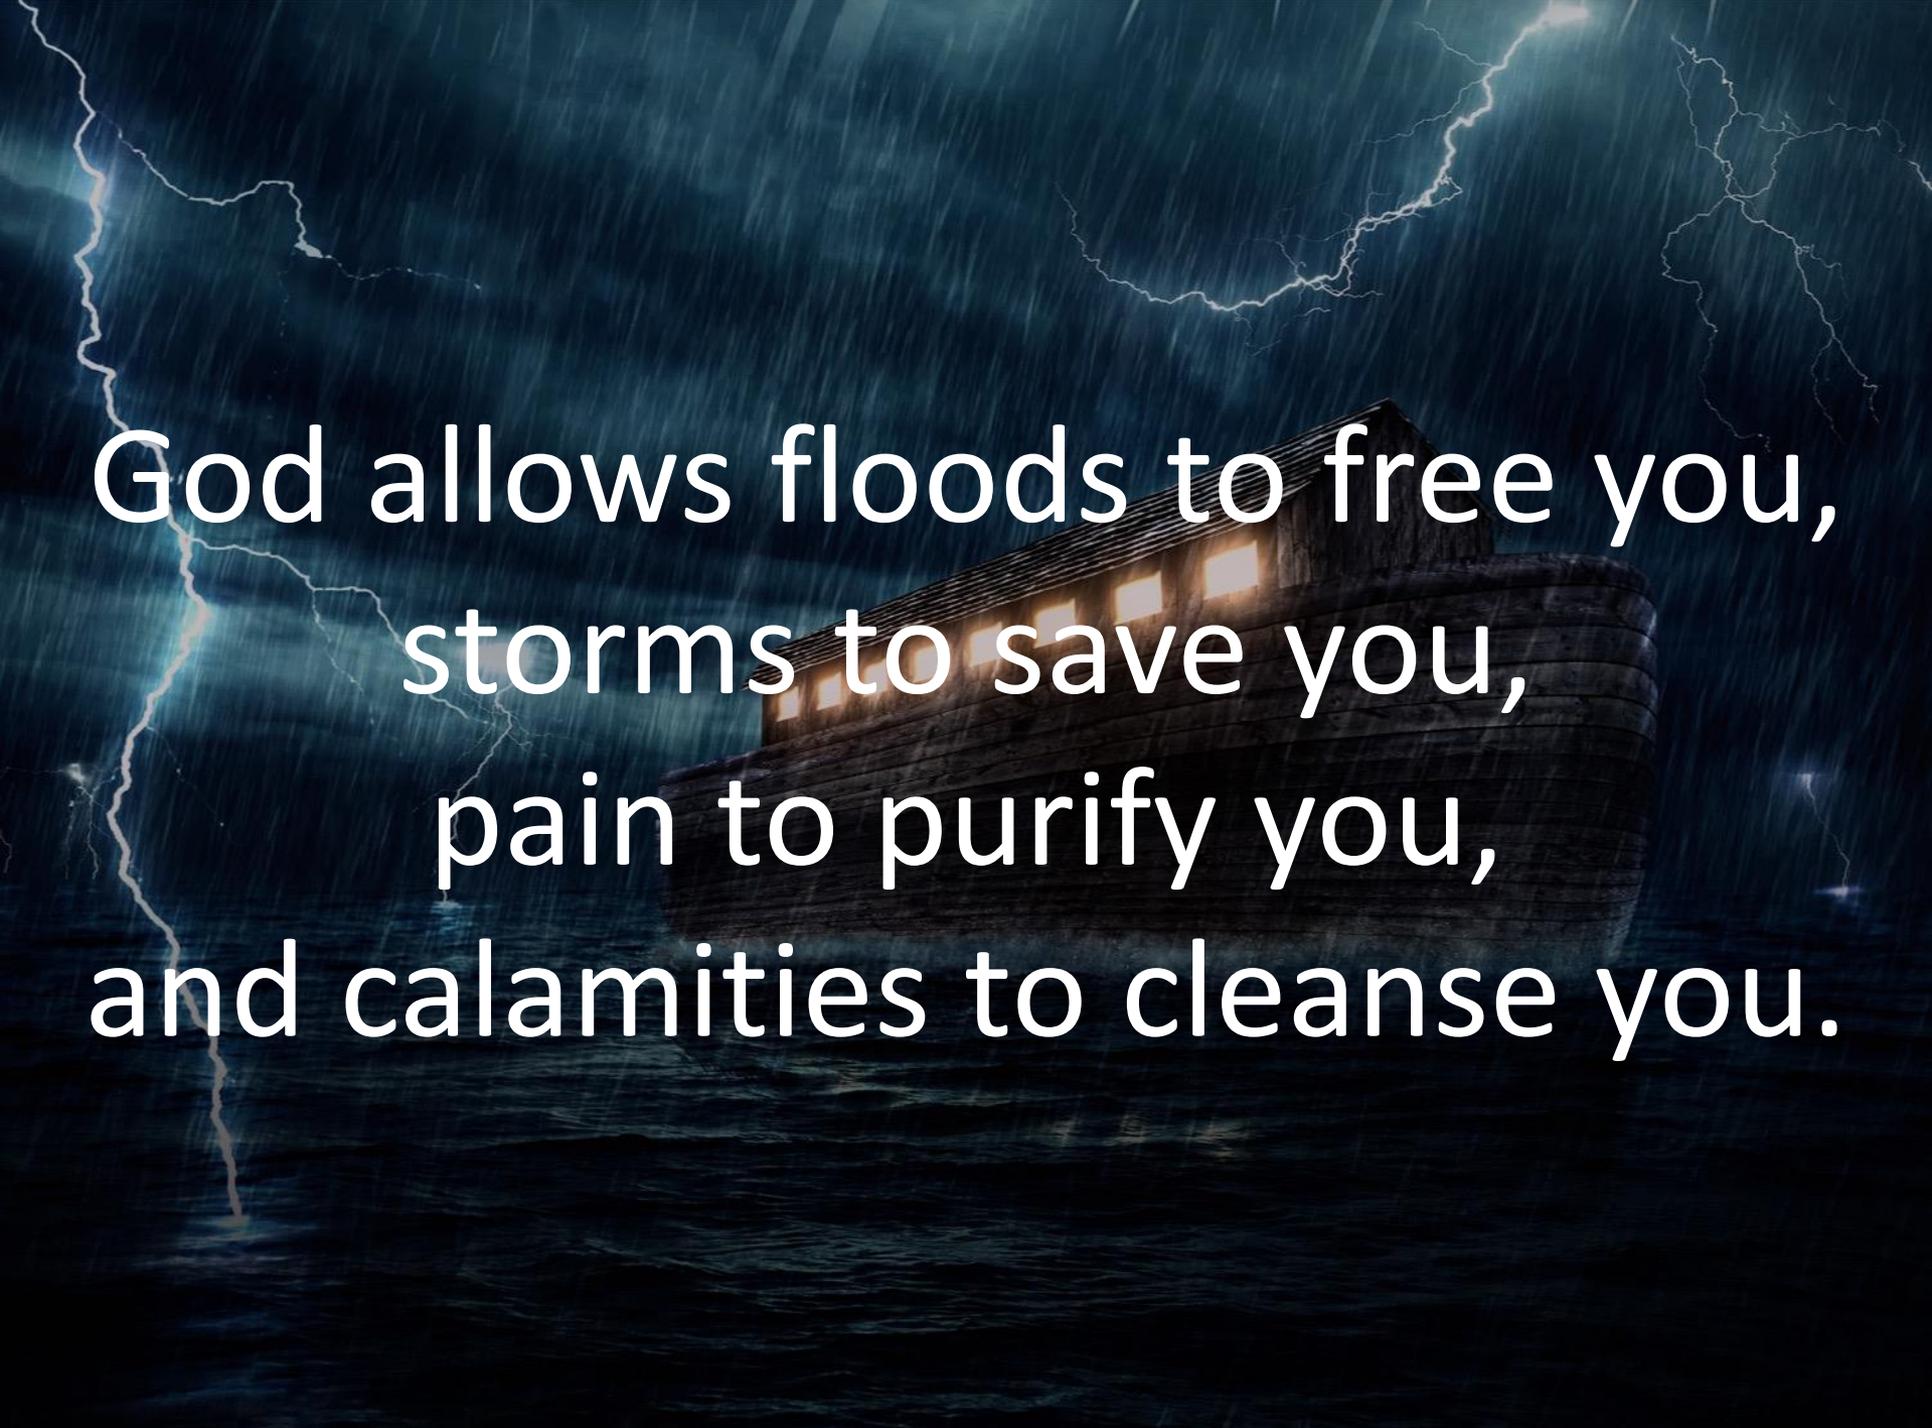

What was taken away  
creates space  
for better things to come

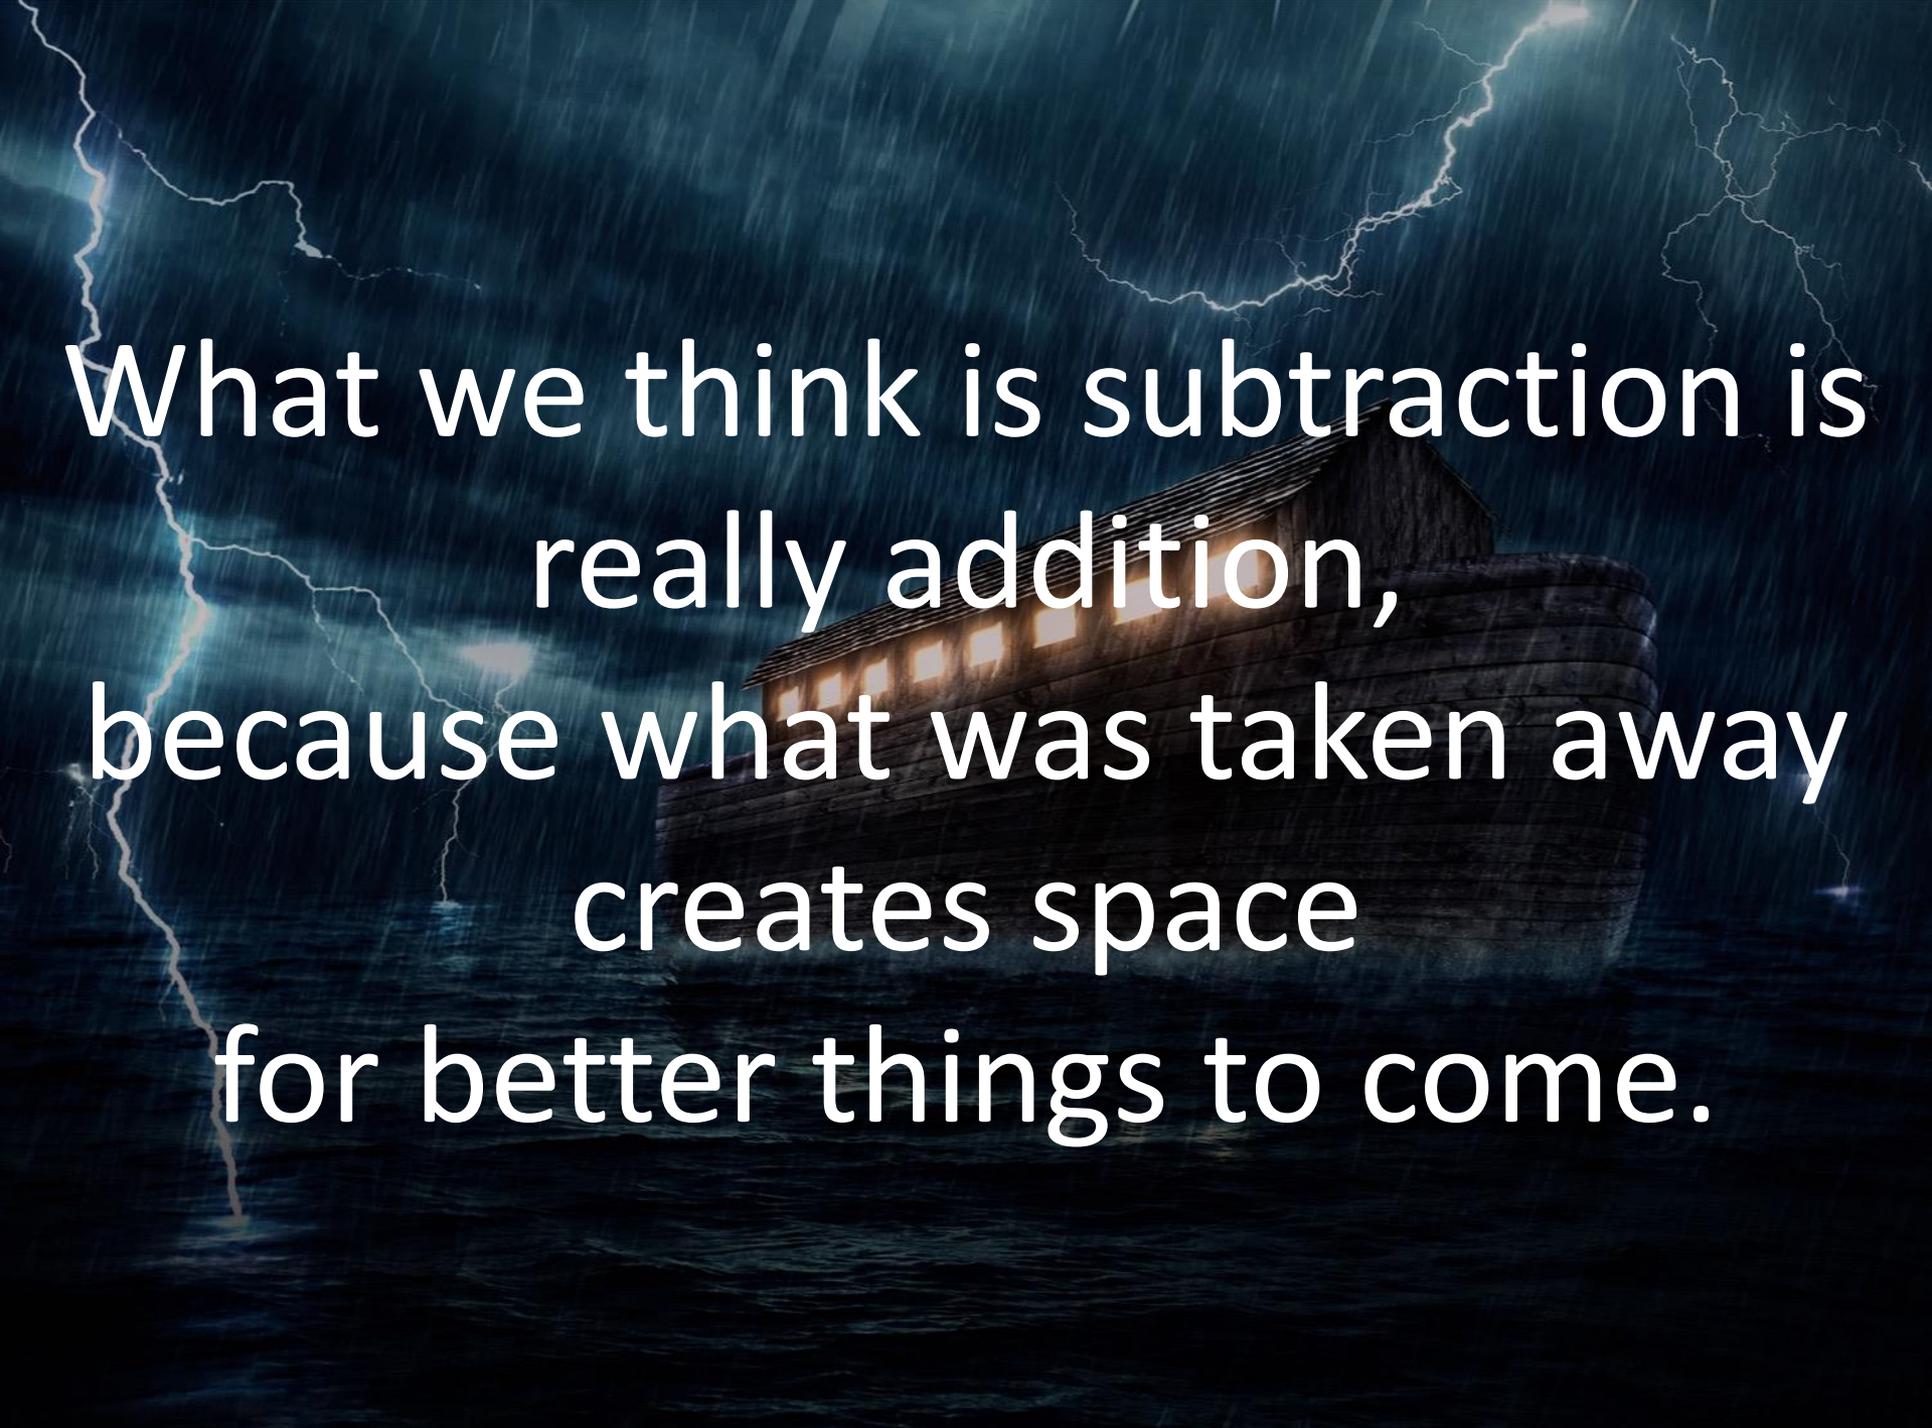

Therefore, if anyone is in Christ,  
he is a new creation;  
old things have passed away;  
behold, all things have become new.

A dramatic scene of a wooden ark floating in a dark, stormy sea. The ark is illuminated from within, with warm light glowing from several windows. The sky is dark and filled with rain, with several bright lightning bolts striking the water around the ark. The overall mood is one of divine protection and hope amidst a chaotic and dangerous environment.

God is creating  
a new you

A dramatic scene of a stormy sea at night. The sky is dark and filled with rain, with several bright lightning bolts striking down. In the center, a large wooden ark is visible, illuminated from within, suggesting a safe haven amidst the chaos. The text is overlaid in white, bold, sans-serif font.

God allows floods to free you,  
storms to save you,  
pain to purify you,  
and calamities to cleanse you.

A dramatic scene of a stormy sea with lightning and a wooden ark. The ark is illuminated from within, with light streaming through its windows. The sky is dark and filled with rain, with several bright lightning bolts striking down. The water is dark and turbulent.

What we think is subtraction is  
really addition,  
because what was taken away  
creates space  
for better things to come.
