Angels and Demons
How To Deal with The Supernatural

AT A GLANCE:
WELCOME to our explosive series, Angels and Demons. In these next four weeks, we will learn how to fight our spiritual enemies and win.

Talk 1 is about *Temptation.*
Talk 2 is about *Superstition.* We'll also learn answers to the question, "What should we do with the Horoscope, Palm Reading, Feng Shui, and Harry Pottter?"
And Talk 3, is about *Oppression*. Is there such a thing called "Spiritual Oppression" where demons make our life difficult?

AFTER THE SERIES:
We should be able to discern how our beliefs affect our behavior. And how the Devil thwarts our efforts to live a life in full with the Lord.

Talk 1: "Temptation"

WHAT IT'S ALL ABOUT:

Talk 2, Superstition, reveals what's behind age-old superstitious beliefs-- about the number 13, black cats, rabbit's foot, horoscope, Feng Shui, venerating the dead… Is there any good in these practices? Or do we reject them outright?

Personal Reflection and Group Discussion:
What superstitions—and fears-- do I need to surrender to God?

I. REVIEW THE KEY BIBLE VERSE

Read together the key Bible verse: T*rust in the Lord with all your heart, and do not lean on your own understanding. In all your ways acknowledge him, and he will make straight your paths.* (Proverbs 3:5-6 ESV)

Remind members the key message of the talk: God is enough. As promised in 2 Corinthians 12:9: *My grace is all you need.*

II. ASK FOR REACTIONS AND REFLECTIONS

Ask members to share experiences

III. PRAY FOR EACH OTHER

Ask members a trial they are going through, especially about struggling over superstitions. Pray together to be able to change beliefs and be relieved of the ill effects of superstitions.

In the next meeting, **remember to follow up** members about their concerns.
